Admission Possible is dedicated to making college admission possible for promising low-income high school students by providing ACT/SAT test preparation, admission, and financial aid application assistance and guidance in the transition to college. Members help high school students prepare for college, support college students as they pursue their degree or serve in capacity building roles.

Essential qualifications to participate in Admission Possible:

- College degree required
- Strong interest in education, youth work, social services, or related fields
- Comfort working with individuals from a variety of backgrounds
- Demonstrated commitment to public service and social justice
- Excellent leadership and communication skills; and outstanding organization and time management abilities
- Ability to multi-task and handle potentially stressful situations with maturity
- Capable of working independently and with others
- Energy and creativity in working with young people
- Access to reliable transportation required.

Top reasons that members like serving in Admission Possible:

- Make a difference in the lives of students
- Work with over 50 recent college graduates who are idealistic and ready to serve
- Build a great base of professional skills that will be admired by future employers
- Have fun
