The Corporation for National and Community Service

The Corporation for National and Community Service was established in 1993 to engage Americans of all ages and backgrounds in community-based service. The Corporation is an independent federal agency headquartered in Washington D.C.; has a Board of Directors and Chief Executive Officer appointed by the President and confirmed by the Senate. It is the nation's largest grant maker supporting service and volunteering through AmeriCorps, Senior Corps, and the Volunteer Generation Fund. ServeMinnesota is a grantee of the Corporation. (For more information visit <http://www.nationalservice.gov>)

ServeMinnesota

ServeMinnesota is an independent, non-profit organization charged with administering federal AmeriCorps State grants in Minnesota. ServeMinnesota provides AmeriCorps programs with training and ongoing technical assistance to support the development of high quality AmeriCorps programs.

Minimum Program Size

In order to provide member positions in quantities that make an impact on identified community needs ServeMinnesota highly recommends that applicants request at least 20 Member Service Years (MSYs). One MSY is equivalent to one full-time member.

ServeMinnesota Priorities for Funding

Criteria	Explanation	Indicators
Targeted at solving a critical challenge facing Minnesota	While there are a large number of issues that are identified as "challenges," we will be most interested in those that have been publicly labeled as threats to Minnesota's long-term quality of life by state government leaders as well as key civic institutions. While we will generally view programs and initiatives addressing statewide challenges as more compelling, we will also give consideration to those that are designed to tackle problems faced by a particular region of the state.	Programs utilize persuasive evidence that the identified problem is a critical challenge facing Minnesota. Examples could include state demographer reports, research studies, analysis from respected thought leaders, etc.
Unique, compelling role for AmeriCorps members and other community volunteers	We will expect a proposed program to outline how individuals providing a year or two of service can be particularly effective at addressing the identified challenge and how serving in this program/initiative will create a meaningful experience for AmeriCorps members. We will also want to see how the program will create more high-quality volunteer opportunities for other members of the community.	Programs demonstrate how AmeriCorps service makes a difference. Programs should: <ul style="list-style-type: none">• Align member activities and program goals• Develop and deliver quality professional training for members• Build site capacity through improved results and/or value-added supplemental support• Create meaningful volunteer opportunities that contribute to program goals

Criteria	Explanation	Indicators
Focus on measurable outcomes	Programs seeking an investment of ServeMinnesota resources must be committed to and capable of quantifiably measuring and reporting on the outcomes their program will produce. In particular, we will be most interested in programs that can show a direct connection between the outcomes they generate and the public challenge that needs to be addressed.	<p>Programs create performance measures that:</p> <ul style="list-style-type: none"> • Demonstrate consistency with state/federal government and/or research/academic organizations measurement outcomes • Align with the identified challenge the program seeks to address • Measure specific results that the AmeriCorps program – not the entire organization – is delivering.
Application of evidence-based approaches	We will expect those seeking an investment from us to demonstrate that the efficacy of their model or intervention is supported by documented and independent research. We are particularly interested in programs that directly involve leading experts from the relevant subject area in the design and/or evaluation of the program.	<p>Programs document evidence that they are using “state-of-the-art” or “best” practices in their program design and implementation. Programs should:</p> <ul style="list-style-type: none"> • Point to studies of similar programs that are considered “best” practice • Document precise elements of its program that are acknowledged as “best” practice • Document validity of interventions • Apply model consistently across all sites (not site by site variations)
Broad base of support	We want to leverage our investment with resources provided by the government, philanthropic, and business sectors. As such, we will prefer to invest our resources in programs and initiatives that can demonstrate strong political support as well as make the case for why the business and foundation communities will be willing to support the effort financially.	<p>Programs demonstrate how they have built a large network of support. Programs should:</p> <ul style="list-style-type: none"> • Increase diverse sources of funding • Cultivate Interest and recognition from philanthropic and public sector investors, who see and communicate the value

Criteria	Explanation	Indicators
Dedication to Quality	We will expect programs and initiatives seeking our investment to clearly outline how they plan to incorporate quality management practices, such as regularly measuring and reporting on performance, surveying the customers of their service, and engaging in organization-wide learning and improvement strategies.	<p>Programs regularly measure and report on program performance. Program should:</p> <ul style="list-style-type: none"> • Assess internal operations for quality management • Assess external outreach and member satisfaction • Survey service recipients • Engage in program learning and improvement strategies • Design protocols and systems to measure and ensure the fidelity and consistency of program implementation across sites (model driven) • Solicit feedback from established experts in the field to guide program implementation and ensure it is consistent with best practices and current research
Return on investment	While we recognize that many “start-up” investments we will be asked to make may not generate an immediate positive return, we will expect those seeking such investments to outline how longer-term investments in their program or initiative will produce such a return in the future. We will favor those investment opportunities that are most likely to produce societal benefits whose value far exceeds the dollars invested.	<p>Programs document their return on investment (ROI) and can:</p> <ul style="list-style-type: none"> • Point to studies of similar programs that have demonstrated ROI • Document a quantifiable, societal ROI for specific outcomes • Show the actual amount of return for their program that is X times more than the amount of funding
Potential for scale and replication	Programs we consider to invest in may propose to start off small in size or scope; however, we plan to select those that have the potential and willingness to expand substantially in the future so that our investment can have an even greater impact on solving social challenges. This growth can come in the form of the program itself getting larger and/or by other organizations – either in Minnesota or elsewhere – implementing the program in their area.	<p>Programs demonstrate potential for replication and scale. Programs should:</p> <ul style="list-style-type: none"> • Create high quality, easily replicable documentation (training manuals, etc.) • Demonstrate breadth of need and/or population served • Deliver cost-effective results • Develop unique models that are not duplicative of other programs

IMPORTANT NOTICE

Applicants who hold a federal negotiated indirect cost rate must use that rate in lieu of the AmeriCorps 5/10% allocation of administrative costs.

Applicants who hold a state or federal negotiated indirect cost rate or will be using the 10% *de minimis* rate must enter that information in the Organization section in eGrants (**See Attachment J**).

Universal Identifier: Applicants must include a Dun and Bradstreet Data Universal Numbering System (DUNS) number and register with the System for Award Management (SAM). All grant recipients are required to maintain a valid registration, which must be renewed annually.

- III. Narratives
- IV. Logic Model
- V. Performance Measures
- VI. Program Information
- VII. Documents

- XI. Authorize, and Submit

I. Applicant Info

Information entered in the Applicant Info, Application Info, and Budget sections will populate the SF 424 Facesheet. **If you can only submit your application in hard copy, please contact CNCS.**

- If you are not a current grantee, but have received a competitive AmeriCorps grant in the past five years, select **Continuation/Renewal**
- If you are applying for the first time, have only received formula funding in the past, or are a former grantee (non-formula) whose last AmeriCorps grant was received more than five years ago, select **New**
- If you are a current planning grantee applying for an implementation grant, select **New**

Enter or update the requested information in the fields that appear. The contact person needs to be the person who can answer questions about the application.

II. Application Info

In the Application Info Section enter:

- Areas affected by your proposed program. Please include the two-letter abbreviation with both letters capitalized for each state where you plan to operate. Separate each two-letter state abbreviation with a comma. For city or county information, please follow each one with the two-letter capitalized state abbreviation.
- Requested project period start and end dates. The length of the project period is specified in the *Notice*.
- The Application is Subject to Review by State Executive Order 12372 Process: This is pre-filled as “No, this is not applicable.”
- Indicate Yes or No if you are delinquent on any federal debt. If yes, provide an explanation.
- State Application Identifier: Enter N/A.

III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria as outlined in the *Notice*. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit funding priorities and special considerations articulated in the regulations or the *Notice*.
- **Be clear and succinct.** Do not use jargon, boilerplate, rhetoric, or exaggeration. Describe clearly what you intend to do and how your project responds to the selection criteria.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.

- **Don't make assumptions.** Even if you have received funding from CNCS in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative.
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions.** Use headings to differentiate narrative sections by criterion.

In eGrants, you will enter text for

- Executive Summary
- Rationale and Approach (Program Design)
- Organizational Capability
- Cost Effectiveness and Budget Adequacy
- Evaluation Summary or Plan

Note: The Narratives Section also includes fields for Clarification Summary, Amendment Justification, and Continuation Changes. **Please enter N/A in these fields. They will be used at a later date to enter information for clarification following review, to request amendments once a grant is awarded, and to enter changes in the narrative in continuation requests.**

Reviewers will assess your application against the selection criteria. To best respond to the criteria listed in the *Notice* and Application Instructions, we suggest that you include a brief discussion of each bullet if it pertains to your application.

A. Executive Summary

Please complete the executive summary per the guidance in the *Notice*.

B. Selection Criteria

Each application must clearly describe a project that will effectively deploy AmeriCorps members to solve a significant community problem. Specifics about the selection criteria are published in the *Notice*.

In assessing Rationale and Approach/Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members and the proposed intervention are particularly well-suited to addressing the identified community problem.

2. Organizational Capability (25 percent)

Reviewers will assess the extent to which the applicant demonstrates organizational background and staffing and structures, including compliance and accountability, to support the proposed program.

3. Cost Effectiveness and Budget Adequacy (25 percent)

In assessing Cost Effectiveness and Budget Adequacy, reviewers will examine the degree to which the budget is cost effective and appropriate for the program being proposed. Enter N/A in the narrative as the assessment will be of the budget.

C. Evaluation Summary or Plan

If you are competing for the first time, please provide your data collection plan in the Evaluation Summary or Plan field. If you are recompeting for AmeriCorps funds, please provide your Evaluation Plan. Please follow the guidance in the *Notice*.

D. Amendment Justification

Enter N/A. This field will be used if you are awarded a grant and need to amend it.

VII. Documents

In addition to the application submitted in eGrants, you are required to provide your evaluation, labor union concurrence (if necessary – see B., below), other required documents listed in the *Notice* (if applicable), and an explanation of federal debt delinquency (if applicable), as part of your application. After you have submitted the documents via the guidance in the *Notice*, change the status in eGrants from the default “Not Sent” to the applicable status “Sent,” “Not Applicable,” or “Already on File at CNCS.”

A. Evaluation

Submit any completed report as described in F., below. Select Evaluation and select “Sent” once you have submitted a completed evaluation report. If an evaluation is required, you must submit a copy at the time of application even if CNCS may already have it on file.

B. Labor Union Concurrence

- 1) If a program applicant—
 - a) Proposes to serve as the placement site for AmeriCorps members; and
 - b) Has employees engaged in the same or substantially similar work as that proposed to be carried out by AmeriCorps members; and
 - c) Those employees are represented by a local labor organization
--then the application must include the written concurrence of the local labor organization representing those employees. Written concurrence can be in the form of a letter or e-mail from the local union leadership.
- 2) If a program applicant:
 - a) Proposes to place AmeriCorps members at sites where they will be engaged in the same or substantially similar work as employees represented by a local labor organization, then the applicant must submit a written description of how it will ensure that:
 - i) AmeriCorps members will not be placed in positions that were recently occupied by paid staff.
 - ii) No AmeriCorps member will be placed into a position for which a recently resigned or discharged employee has recall rights as a result of a collective bargaining agreement, from which a recently resigned or discharged employee was removed as a result of a reduction in force, or from which a recently resigned/discharged employee is on leave or strike.

For the purposes of this section, “program applicant” includes any applicant to CNCS or a State Commission, as well as any entity applying for assistance or approved national service positions through a CNCS grantee or subgrantee.

C. Federally-approved Indirect Cost Agreement

Applicants applying directly to CNCS that include a federally approved indirect cost rate amount in their budget must enter the current approved indirect cost rate agreement information into eGrants at the same time they submit their application. See **Attachment J**.

D. Other Documents

E. Delinquent on Federal Debt

Any applicant who checks Yes to the question on federal debt delinquency must submit a complete explanation to Additionaldocuments@cns.gov at the same time they submit their application.

F. Submission Instructions for Evaluations, Labor Union Concurrence, Other Required Documents, and Explanation of Federal Debt Delinquency, as applicable.

Please submit the required documents to grants@serveminnesota.org with the subject line of the name of your organization and the application ID number. This information must be received by the deadline listed on page one of these instructions in the application timeline.

VIII. Budget Instructions

For Fixed Amount grants, including EAPs: Use the Budget Instructions for Fixed Amount applicants (Attachment) and the Budget Worksheet (Attachment) to prepare your budget.

A. Match Requirements

Program requirements, including requirements on match are located in the AmeriCorps Regulations and summarized below.

Table 2: Match Requirements in the AmeriCorps Regulations

Grant Type	Match Requirement
Cost Reimbursement including States and Territories without Commissions, Indian Tribes	Minimum grantee share is 24% of program costs for the first three years. Overall grantee share of total program costs increases gradually beginning in Year 4 to 50% by the tenth year of funding and any year thereafter.
EAP Fixed Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over the cost in the NOFO provided by CNCS.
Professional Corps Fixed Amount Grants	There are no specific match requirements for fixed-amount grants. Grantees pay all program costs over the cost in the NOFO provided by CNCS.
Stipended Fixed Amount Grants	There are no specific match requirements for full-cost fixed-amount grants. Grantees pay all program costs over the maximum cost in the NOFO provided by CNCS.

- Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.
- If you are applying for the first time, you must match with cash or in-kind contributions at least 24% of the project’s total Operating Costs (Section I) plus Member Costs (Section II) plus Administrative Costs (Section III). If you are recompeting, please see 45 CFR §§ 2521.40-2521.95 for the match schedule.

- The acceptable sources of matching funds are federal, state, local, and/or private sector funds in accordance with applicable AmeriCorps requirements.
- In the “Source of Funds” field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. (The total amount in the Source of Funds field should match the total amount in the budget narrative exactly.) Define all acronyms the first time they are used. See **Attachment G** for instructions for applying for the Alternative Match Schedule.

Note: CNCS legislation permits the use of non-CNCS federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees who use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to CNCS. If you use other federal funds as match, you must ensure you can meet the requirements and purpose of both grants. Grantees who use federal funds as match will be required to report the sources and amounts on the Federal Financial Report (FFR).

B. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions in the Attachments to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheets in the Attachments.

As you enter your detailed budget information, eGrants will automatically populate a budget summary and budget narrative report. Prior to submission be sure to review the budget checklist (Attachment) to ensure your budget is compliant. In addition, eGrants will perform a limited compliance check to validate the budget. If eGrants finds any compliance issues you will receive a warning and/or error messages. You must resolve all errors before you can submit your budget.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Itemize each cost and present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g., entertainment costs (which include food and beverage costs) unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).
- **Please add the cost of the NSOPW, state check and/or FBI check for criminal history checks for each covered position in the CNCS share of the budget. If funds are not budgeted, an explanation for how the costs will be covered must be noted in the budget.**

Programs must comply with all applicable federal laws, regulations, and the requirements of the Uniform Guidance. Please refer to the Uniform Guidance, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) for allowable, allocable, and reasonable cost information, as well as, audit requirements, including the need to provide audits to the Clearinghouse if expending over \$750,000 in federal funds as required in the OmniCircular. The OMB Uniform Guidance can be found on-line at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl

ServeMinnesota Budget Worksheet Instructions

Use the **AC 20-21 Budget Form** file (MS Excel) to prepare your budget. Please be sure to add your organization’s name and the number of years you have received CNCS funding. If you do not add the number of years your program has received CNCS funding, the match formula on the budget form will not calculate your required match correctly. This information will then be entered into eGrants. Applicants must also submit their AC 20-21 Budget

Form as a separate MS Excel Document. Submit your completed AC 20-21 Budget Form via email to grants@serveminnesota.org by the deadline.

AC 20-21 Budget Form – you will only complete the budget narrative tab. The information entered into the budget narrative will pull into the budget tab.

- The worksheets are protected. Enter data in the **Green** cells only.
- Built-in Formulas will automatically create subtotals and totals.
- Benchmarks are formulas that indicate whether or not the budget complies with major AmeriCorps budgetary guidelines. Benchmarks should display Ok indicating compliance with these guidelines.
- Round all numbers to the nearest dollar amount (whole number).
- Do not include unexplained amounts for miscellaneous or contingency costs or unallowable expenses.

C. Sources of Grant Funds

Applicants may include the funding sources listed below in their proposed budgets.

- **State ServeMinnesota Innovation Funds:** The state of Minnesota provides funds to help support AmeriCorps programming in Minnesota. Applicants may budget up to \$500 per MSY in State ServeMinnesota Innovation dollars. ServeMinnesota Innovation funds may only be budgeted for certain member expenses. The AC 20-21 Budget Form indicates which line items are allowable. This is budgeted amount only. ***The final State ServeMinnesota Innovation award will be determined prior to the issue of grant contracts in the fall of 2020.***

IX. Funding/Demographics

In the Funding/Demographics Section enter:

- Other Revenue funds. Enter the amount of funds that your program uses to run the program that are not identified on the application budget as CNCS share or grantee share (match). Note: Programs should not enter the total operating budget for their organization unless the entire operating budget supports the AmeriCorps program. Programs that have additional revenue sources not included in the matching funds section of the budget should provide the amount of this additional revenue that supports the program. This amount should not include the CNCS or grantee share amounts in the budget. Fixed amount grantees should enter all non-CNCS funds that support the program in this field. All fixed grants will have other revenue.
- Number of Volunteers Generated by AmeriCorps members. Please enter the number of volunteers participating in one day service projects or ongoing volunteer commitments that the proposed AmeriCorps members will generate.
- If Education Evidence-Based Intervention NOFO Priority, enter the row number (1-13) of the intervention in Table 1 of the Education Evidence Brief (see NOFO for hyperlink)
- If Economic Opportunity Evidence-Based Intervention NOFO Priority, enter the row number (1-4) of the intervention in Table 1 of the Economic Opportunity Evidence Brief (see NOFO for hyperlink)
- If Healthy Futures Evidence-Based Intervention NOFO Priority, enter the row number (1-5) of the intervention in Table 1 of the Healthy Futures Evidence Brief (see NOFO for hyperlink)

X. Operating Sites (for multi-state applicants only)

In the Multi-State Operating Section (For applicants that are operating in more than one state):

- Please fill in the following information for your operating sites: organization name, address, city, state, zip code + 0000 (eGrants will correct the last four digits to the correct numbers), amount of funding going to the operating site, and number of proposed AmeriCorps members who will be located at the site

XI. Review, Authorize, and Submit

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize

- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, Assurances, and Certifications carefully (Attachment I). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Be sure to check your entire application to ensure that there are no errors before submitting it. When you verify the application eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission. If someone else is acting in the role of the applicant's Authorized Representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory who may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

CONTINUATION REQUESTS

The following instructions for submitting a continuation request apply only to programs that are currently in their first or second year of operation within a grant cycle. If your program is currently in the final year of its grant cycle, you must apply using the application instructions for new and re-competing programs. In addition, if you are in year two or three of a cost reimbursement grant cycle, you need to submit a new application to participate in the fixed amount grant; you cannot continue your existing project period and switch from cost reimbursement to fixed amount. CNCS reserves the right to consider your continuation request if your fixed amount application is not funded.

When to Submit Your Continuation Request:

See the *Notice* for application deadlines.

How to Submit Your Continuation Request:

- Click **Continuation/Renewal** on your eGrants home page. You will be shown a list of grants that are eligible to be continued. Select the grant you wish to continue. **Make sure you select the correct one. Do not start a new application.** The system will copy your most recently awarded application.
- Edit your continuation application as directed in the continuation request instructions below. When you have completed your work, click the **SUBMIT** button.

Be sure you also review the *Notice* when preparing your request. If you have questions about the content of your continuation request, please contact your Program Officer.

What to Include in Your Continuation Request:

I. Applicant Info and Application Info

Update the Applicant Info and Application Info Sections in eGrants if necessary. Note in the Continuation Changes field that you have updated the Applicant Info or Application Info Section(s).

II. Narrative (Narratives Section)

Your original application will appear in the Executive Summary and in the narrative sections Rationale and Approach/Program Design, Organizational Capability, Cost-Effectiveness and Budget Adequacy, Evaluation Summary or Plan, Amendment Justification, Clarification Information, and Continuation Changes, as appropriate.

Do not modify these original narrative fields.

CNCS expects that programs will maintain a consistent program design for the duration of the three-year project period; however, we recognize that, on occasion, some programmatic changes are necessary. As a result, continuation applicants may request the changes listed below during the continuation process.

Information should be provided in the **Continuation Changes** narrative field as relevant.

- Changes in Operating Sites
- Significant Changes in Program Scope or Design
- Changes to Performance Measures
- Significant Changes to Monitoring Structures or Staffing
- Budget revisions (detail provided in section VI).

The page limit for the Continuation Changes field is six pages, as the pages print out from eGrants.

Any continuation applicant not requesting changes that fit within the above categories should enter “N/A” in Continuation Changes. CNCS expects that most continuation applications will not be requesting changes.

Evaluation plans are approved by CNCS when applicants re-compete for funding. If you wish to make changes to your evaluation plan, do NOT change the text of the Evaluation Summary or Plan field in your application. Instead, send a revised version of the evaluation plan (with the proposed changes in track-changes mode) as an attachment to EvaluationPlans@cns.gov. CNCS will notify you if the changes are approved.

III. Logic Model

Continuation applicants do not need to enter content into these fields.

IV. Performance Measures (Performance Measures Section)

Your performance measures are copied from your previous year's application into your continuation request. If you made changes to your program, such as adding or changing grant-funded activities, or requesting additional slots or MSYs, you may need to revise your performance measures. Continuation applicants whose measures do not align with the 2020 Performance Measure Instructions must also revise their measures to conform with the 2020 instructions. To revise performance measures, "View/Edit" the performance measures that copy over from your original application, or add new performance measures (see Attachments). Note in the Continuation Changes field that you have updated your performance measures. If you are proposing to significantly increase or decrease output or outcome targets for existing performance measures, provide a justification for this change.

V. Program Information

In the Program Information Section, review and make selections as appropriate. Applicants should only select priorities and characteristics that represent a significant part of the program.

AmeriCorps Funding Priorities

Check any priority area(s) that apply to the proposed program. Only select Priorities that represent a significant part of the program focus, high quality program design, and outcomes.

CNCS seeks to prioritize the investment of national service resources in the following areas:

- Economic Opportunity – evidence-based interventions on the CNCS Evidence Exchange. In order to qualify for this priority, the applicant must be assessed as having Moderate or Strong evidence by the reviewers.
https://www.nationalservice.gov/sites/default/files/evidenceexchange/CNCS_Economic_Opportunity_Evidence_Brief_2019_508.pdf
OR
increasing economic opportunities for communities by preparing people for the workforce.
- Education - evidence-based interventions on the CNCS Evidence Exchange. In order to qualify for this priority, the applicant must be assessed as having Moderate or Strong evidence by the reviewers.
https://www.nationalservice.gov/sites/default/files/evidenceexchange/CNCS_Education_Evidence_Brief_12318_508.pdf
- Healthy Futures - evidence-based interventions on the CNCS Evidence Exchange. In order to qualify for this priority, the applicant must be assessed as having Moderate or Strong evidence by the reviewers.
https://www.nationalservice.gov/sites/default/files/evidenceexchange/HF_Evidence_Brief_FINAL_v2_508.pdf
OR
reducing and/or preventing prescription drug and opioid abuse.
- Veterans and Military Families - positively impacting the quality of life of veterans and improving military family strength.
- Rural intermediaries - organizations that demonstrate measurable impact and primarily serve rural communities with limited resources and organizational infrastructure.
- Faith-based organizations.
- No NOFO priority area

Grant Characteristics

Check any grant characteristics that are a significant part of the proposed program:

- Faith-based organizations
- Professional Corps

- STEM Program
- Geographic Focus – Urban
- Geographic Focus – Rural
- None of the above grant characteristics

VI. Budget (Budget Section)

Your budget from the previous year’s application is copied into your continuation request so you can make the necessary adjustments. Revise your detailed budget for the upcoming year. Incorporate any required CNCS increases, such as an increase to the member living allowance, into your budget. **Continuation applicants may apply for expansions – dollars, MSY, and/or members.**

Please remember to email your completed ServeMinnesota budget form to grants@serveminnesota.org. Also, please be sure to include the \$500/msy in State ServeMinnesota Innovation funds.

Source of Funds (Match)

In the “Source of Funds” field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. (The total amount in the Source of Funds field should match the total amount in the budget narrative exactly.) Define all acronyms the first time they are used.

Multi-Year Funded Grantees

Multi-year funded grantees may request up to the dollar and MSY amounts they were granted for the continuation year for which they are applying. Multi-year funded grantees may not request funds or MSY in excess of the amounts they were awarded for each year (year two or year three) of their multi-year funded grants.

VII. Increasing Grantee Overall Share of Total Budgeted Costs

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

See Attachment G for instructions for applying for the Alternative Match Schedule.

In the Funding/Demographics Section enter:

- Other Revenue funds. Enter the amount of funds that your program uses to run the program that are not CNCS share or match.
- Number of Volunteers Generated by AmeriCorps members. Please enter the number of volunteers participating in one day service projects or ongoing volunteer commitments that the proposed AmeriCorps members will generate.
- If Education Evidence-Based Intervention NOFO Priority, enter the row number (1-13) of the intervention in Table 1 of the Education Evidence Brief (see NOFO for hyperlink)
- If Economic Opportunity Evidence-Based Intervention NOFO Priority, enter the row number (1-4) of the intervention in Table 1 of the Economic Opportunity Evidence Brief (see NOFO for hyperlink)
- If Healthy Futures Evidence-Based Intervention NOFO Priority, enter the row number (1-5) of the intervention in Table 1 of the Healthy Futures Evidence Brief (see NOFO for hyperlink)

VIII. Operating Sites (for multi-state applicants only)

In the Multi-State Operating Section (for applicants who are operating in more than one state):

- Make any changes to operating sites being requested as part of Continuation Changes.

IX. Review, Authorize, and Submit

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, Assurances, and Certifications carefully (Attachment I). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Be sure to check your entire application prior to submission to ensure that there are no errors. When you verify the application eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission. If someone else is acting in the role of the applicant's Authorized Representative, that person must log into his/her eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

ATTACHMENT A: Performance Measures Instructions

(eGrants Performance Measures Section)

eGrants Performance Measures Module Instructions

About the Performance Measures Module

In the performance measures module, you will:

- Provide information about your program's connection to CNCS focus areas and objectives.
- Show MSY and member allocations.
- Create at least one aligned performance measure associated with your primary service activity (primary intervention), plus one or more additional measure(s) if desired.
- Set targets and describe data collection instruments and strategies for your performance measures.

Home Page

To start the module, click the "Begin" button on the Home Page.

As you proceed through the module, the Home Page will summarize your work and provide links to edit the parts of the module you have completed. You may also navigate sections of the module using the tab feature at the top of each page.

Once you have started the module, clicking "Continue Working" will return you to the tab you were on when you last closed the module.

To edit the interventions, objectives, MSYs, and member allocations for your application, click the "Edit Objectives/MSYs/Members" button.

After you have created at least one performance measure, the Home Page will display a chart summarizing your measures. To edit a performance measure, click the "Edit" button. To delete a measure, click "Delete." To create a new performance measure, click the "Add New Performance Measure" button.

Objectives Tab

On the objectives tab, applicants will account for the full range of their program activity. Applicants are not expected to create performance measures for every focus area, objective, or intervention they select on this tab.

An expandable list of CNCS focus areas appears on this tab. When you click on a focus area, a list of objectives from the CNCS strategic plan appears. A list of common interventions appears under each objective. First click on a focus area. Then click on an objective. All national performance measures fall under a strategic plan objective. Only the performance measures that correspond to the strategic plan objectives you select on this tab will be available for selection as you continue through this module. To see which performance measures correspond to which objective, refer to the CNCS Performance Measures Instructions.

Next, select all interventions that are part of your program design. Interventions are the activities that members and volunteers will carry out to address the problem(s) identified in the application. Select "other" if one of your program's interventions does not appear on the list. Repeat these actions for each of your program's focus areas. Select "other" for your focus area and/or objective if your program activities do not fall within one of the CNCS focus areas or objectives.

Choose your program's primary focus area from the drop-down list. Only the focus areas that correspond to the objectives you selected above appear in the list. Next, select the primary intervention within your primary focus area. You will be required to create an aligned performance measure (output paired with outcome) that contains your primary intervention. Note that your primary intervention, and the performance measure associated with your primary intervention, must be focused on the community impact of the program; applicants may not count AmeriCorps members as beneficiaries under either National Performance Measures or applicant-determined measures. Some member-focused outputs and outcomes may be reported as demographic indicators.

You may select a secondary focus area and a secondary intervention. The primary and secondary focus area may be the same if you have more than one intervention within the focus area.

MSYs/Members Tab

On this tab, you will enter information about the allocation of MSYs and members across the focus areas and objectives you have selected. You must allocate 100% of your program's MSYs to focus areas and objectives. When you create your performance measures, you will be asked to allocate MSYs to each performance measure; however, you will not be required to assign 100% of your total MSYs to performance measures.

Begin by entering the total MSYs for your program. This must match the total MSYs in your budget. Please double-check your budget to make sure that the total MSY values match.

Next, enter the number of MSYs your program will allocate to each objective. Only the objectives that were selected on the previous tab appear in the MSY chart. If some of your program's objectives are not represented in the chart, return to the previous tab and select additional objectives. The MSY chart must show how all your program's resources are allocated. If the only activity in an objective that you have selected is focused on AmeriCorps member development, enter 0 MSYs for that objective.

As you enter MSYs into the MSY column of the chart, the corresponding percentage of MSYs will calculate automatically. When you have finished entering your MSYs, the total percentage of MSYs in the chart must be 100%. The total number of MSYs in the chart must equal the number of MSYs in your budget.

In the members column, enter the number of members who will be assigned to each objective. Some members may perform services across more than one objective. If this is the case, allocate these members to all applicable objectives. For example, if one member performs service in on both school readiness and K-12 success, allocate one member to each of these objectives. It is acceptable for the total number of members in this table to exceed total slots requested in the application due to counting members' service across multiple objectives. If the only activity in an objective that you have selected is focused on AmeriCorps member development, enter 0 members for that objective.

To ensure that information is entered accurately, please refer to additional guidance in Appendix A of the National Performance Measure Instructions on calculating and entering MSY and member allocations.

Performance Measure Tab

CNCS does not require National Performance Measure outputs to be paired only with corresponding National Performance Measure outcomes. National Performance Measure outputs may also be paired with applicant-determined outcomes or may not be paired with any outcome. The latter is referred to as an "output-only measure" in these instructions. Refer to selection rules in the National Performance Measures Instructions to ensure that your performance measures meet CNCS requirements.

This tab allows you to create performance measures for all the grant activities you intend to measure.

You must create at least one aligned performance measure (either a National Performance Measure or an applicant-determined measure) that corresponds to your primary intervention. You may create additional aligned performance measures and/or output-only measures provided that they measure significant program activities. There is no expectation that 100% of program activity be allocated to National Performance Measures or to any performance measures at all.

Begin by creating the aligned performance measure for your primary intervention. After creating your required performance measure, you will be able to create additional performance measures if desired.

To create a performance measure, begin by selecting an objective. The list of objectives includes those you selected on the objectives tab. Note that programs may not create performance measures for the Find Opportunity, Teacher

Corps, Green Jobs, or Access & Attract objectives, since these are member-focused objectives. Member-focused outputs and outcomes related to these objectives may be reported as demographic indicators.

Provide a short, descriptive title for your performance measure.

Briefly describe the problem your program will address in this performance measure.

Select the intervention(s) to be delivered by members and/or member-supported volunteers. The list of interventions includes the ones you selected previously for this objective. Select only the interventions that will lead to the outputs (plus outcomes, if applicable) of the performance measure and that are applicable to all beneficiaries counted under the measure. If you selected “other” as an intervention and wish to include an applicant-determined intervention in your aligned performance measure, click “add user intervention” and enter a one or two word description of the intervention. (Note: you are not permitted to create a user-defined intervention that duplicates an intervention already available in the system.)

Select output(s) for your performance measure. The output list includes only the National Performance Measure outputs that correspond to the objectives you have selected. If you do not wish to select National Performance Measures, and if the objective you have selected permits applicant-determined outputs, you may create an applicant-determined output by clicking in the checkbox next to the empty output text box and entering the text of your output indicator. You may create additional applicant-determined outputs for the performance measure by clicking “Add User Output.” (Note: you are not permitted to create an applicant-determined output that duplicates a National Performance Measure output. If you do not see the National Performance Measure output that you wish to use, check the Selection Rules in the National Performance Measure Instructions to make sure you selected the correct objective associated with that National Performance Measure output.)

Select outcome(s). If you have selected a National Performance Measures output that has corresponding National Performance Measures outcome(s), these outcomes will be available to select. If you do not wish to select a National Performance Measure outcome, you may create an applicant-determined outcome by clicking in the checkbox next to the empty outcome text box and entering the text of your outcome indicator. If you do not wish to select any outcome for your National Performance Measure output, click in the checkbox next to the empty outcome text box and enter “NA” in the outcome indicator text box. (Note: all output-only measures must consist of National Performance Measure outputs. Applicant-determined outputs must be paired with applicant-determined outcomes.)

You may create additional applicant-determined outcomes for the performance measure by clicking “Add User Outcome.”

If you have not selected a National Performance Measures output, or if there is no corresponding National Performance Measure outcome, create an applicant-determined outcome by clicking “Add User Outcome.” All applicant-determined outputs must be paired with an applicant-determined outcome.

Enter the number of MSYs and members your program will allocate to achieving the outcomes and/or outputs you have selected in this performance measure. Since programs are not required to measure all grant activities, the number you enter does not have to correspond to the MSY chart you created on the MSY/Members tab; however, the total number of MSYs across all performance measures within a single objective cannot exceed the total number of MSYs previously allocated to that objective. Members may be double-counted across performance measures, but MSYs may not.

Click “next” to proceed to the data collection tab. Later you can return to this tab to create additional performance measures.

Data Collection Tab

On this tab, you will provide additional information about your interventions, instruments, and plan for data collection. The performance measures may be used after grant making separate from the grant narrative. Thus all information requested in the National Performance Measure Instructions must be included in the text of the

performance measures themselves, and it must be evident in the performance measure text that all definitions and requirements outlined in the National Performance Measure Instructions are met. Should an applicant choose to provide duplicate information about performance measures in the narrative, this information will also need to be in the performance measures module.

Describe the design and dosage (frequency, intensity, duration) of the interventions you have selected. Frequency refers to how often an intervention occurs (for example, number of sessions per week); intensity refers to the length of time devoted to the intervention (for example, number of minutes per session); and duration refers to the period of time over which the intervention occurs (for example, how many total weeks of sessions).

Expand each output and outcome and enter data collection information.

Select the data collection method you will use to measure the output or outcome. To select more than one method, click the “Add new method” button. To de-select a method, click the first (blank) line in the method drop-down.

Describe the specific instrument(s) you will use to measure the output or outcome. Include the title of the instrument(s), a brief description of what it measures and how it will be administered, and details about its reliability and validity if applicable. For outcomes, specify how much improvement in knowledge, attitude, behavior or condition is required to be counted as having improved and clearly explain how the instrument measures this.

Enter the target number for your output or outcome. Targets must be numbers, not percents.

For applicant-determined outputs and outcomes, enter the unit of measure for your target. The unit of measure should describe the population you intend to count (children, miles, etc.). Do not enter percents or member service hours as units of measure. In most cases, the unit of measure should be the same for the outputs and outcomes in an aligned performance measure.

For output-only performance measures, eGrants will require text in the outcome data collection fields. If you do not wish to have an outcome for your National Performance Measure output, enter the following:

- Method: Select “other.”
- Instrument Description: Enter “NA”
- Target: Enter “1”
- Unit of Measure: Enter “NA”

After entering data collection information for all outputs and outcomes, click “Mark Complete.” You will return to the Performance Measure tab. If you wish to create another performance measure, repeat the process. If you would like to continue to the next step of the module, click “Next.”

Summary Tab

The summary tab shows all of the information you have entered in the module.

To print a summary of all performance measures, click “Print PDF for all Performance Measures.”

To print one performance measure, expand the measure and click “Print This Measure.”

Click “Edit Performance Measure” to return to the Performance Measure tab.

Click “Edit Data Collection” to return to the Data Collection tab.

“Click Validate Performance Measures” to validate this module prior to submitting your application. You should also use the Performance Measures Checklist in Appendix B of the National Performance Measure Instructions to self-assess your measure(s) prior to submission.

ATTACHMENT B: Detailed Budget Instructions for Cost Reimbursement Grants (eGrants Budget Section)

Fixed-Amount Grants refer to Attachment D.

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount,” “CNCS Share,” and “Grantee Share” for Parts A-I, for Year 1 of the grant, as follows:

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort as percentage of FTE devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee share. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training of staff and AmeriCorps members.

B. Personnel Fringe Benefits

Under “Purpose/Description,” identify the types of fringe benefits to be covered and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include FICA, Worker’s Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates, but are absorbed into the personnel expenses (salary) budget line item.

C. 1. Staff Travel

Describe the purpose for which program staff will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. Reimbursement should not exceed the federal mileage rate unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

We expect all State Commissions and National Direct applicants to include funds in this line item for travel for staff and site staff to attend CNCS-sponsored technical assistance meetings. There are two to three such opportunities per year. Travel funds should be budgeted for at least one staff member, especially new staff, to attend the annual AmeriCorps Symposium as well as Symposium pre-conference events (if applicable).

Please itemize the costs. For example: Two staff members will attend the annual AmeriCorps Symposium in Washington, DC.

2 staff X \$750 airfare + \$50 ground transportation + (1 day) X \$400 lodging + \$35 per diem = \$2,470 for Annual AmeriCorps Symposium.

C. 2. Member Travel

Describe the purpose for which members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other related expenses for members to travel outside their service location or between sites. Costs associated with local travel, such as bus passes to local sites, mileage reimbursement for use of car, etc., should be included in this budget category. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information.

D. Equipment

Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of **\$5,000 or more per unit** (including accessories, attachments, and modifications). Any items that do not meet this definition should be entered in E. Supplies below. Purchases of equipment are limited to 10%

of the total CNCS funds requested. If applicable, show the unit cost and number of units you are requesting. Provide a brief justification for the purchase of the equipment under Item/Purpose.

E. Supplies

AmeriCorps members must wear an AmeriCorps logo on a daily basis – preferably clothing with the AmeriCorps logo. The item with the AmeriCorps logo is a required budget expense. Please include the cost of the item with the AmeriCorps logo in your budget or explain how your program will be providing the item to AmeriCorps members without using grant funds. Grantees may add the AmeriCorps logo to their own local program uniform items using federal funds. Please note that your program will be using the AmeriCorps logo in the budget description.

Include the amount of funds to purchase consumable supplies and materials, including member service gear and equipment that does not fit the definition above. You must individually list any single item costing \$1,000 or more. Except for safety equipment, grantees may only charge the cost of member service gear to the federal share if it includes the AmeriCorps logo. All safety gear may be charged to the federal share, regardless of whether it includes the AmeriCorps logo. All other service gear must be purchased with non-CNCS funds.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training or evaluation consultants, who will be listed in Sections G. and H., below. There is not a maximum daily rate.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills staff need for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

G. 2. Member Training

Include the costs associated with member training to support them in carrying out their service activities. You may also use this section to request funds to support training in Life after AmeriCorps. If using a consultant(s) for training, indicate the estimated daily rate. There is not a maximum daily rate.

H. Evaluation

Include costs for project evaluation activities, including additional staff time or subcontracts, use of evaluation consultants, purchase of instrumentation, and other costs specifically for this activity not budgeted in Section A Personnel Expenses. This cost does not include the daily/weekly gathering of data to assess progress toward meeting performance measures, but is a larger assessment of the impact your project is having on the community, as well as an assessment of the overall systems and project design. Indicate daily rates of consultants, where applicable.

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for all members and for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share). Please include the cost of the state check for criminal history checks for all covered positions plus the cost of the state check. If funds are not budgeted, an explanation for how the costs will be covered must be noted in the budget.
- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If space is budgeted and it is shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Utilities, telephone, internet, postage, copying, and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff, and are not part of the organization's indirect cost allocation pool. If such expenses are budgeted and shared with other projects or activities, the costs must be equitably pro-rated and allocated between the activities or projects.
- Recognition costs for members. List each item and provide a justification in the budget narrative. Gifts and/or food in an entertainment/event setting are not allowable costs.

- Multi-state applicants: Indicate the number of subgrants and the average amount of subgrants. Indicate any match that you will require of your subgrants under the “grantee share” column in this category. Subgranted funds may only cover costs allowable under federal and AmeriCorps regulations and terms and conditions.

Section II. Member Costs

Member Costs are identified as “Living Allowance” and “Member Support Costs.” Your required match can be federal, state, local, or private sector funds.

A. Living Allowance

The narrative should clearly identify the number of members you are supporting by category (i.e., full-time, three-quarter-time, half-time, reduced-half-time, quarter-time, minimum-time) and the amount of living allowance they will receive, allocating appropriate portions between the CNCS share (CNCS Share) and grantee share (match).

The minimum and maximum living allowance amounts are provided in the *Notice*.

In eGrants, enter the total number of members you are requesting in each category. Enter the average amount of the living allowance for each type of member. In addition, enter the number of members for whom you are not requesting funds for a living allowance, but for whom you are requesting education awards.

B. Member Support Costs

Consistent with the laws of the states where your members serve, you must provide members with the benefits described below.

- **FICA.** Unless exempted by the IRS, all projects must pay FICA for any member receiving a living allowance, even when CNCS does not supply the living allowance. If exempted, please note in the narrative. In the first column next to FICA, indicate the number of members who will receive FICA. Calculate the FICA at 7.65% of the total amount of the living allowance.
- **Worker’s Compensation.** Minnesota requires worker’s compensation for AmeriCorps members.
- **Health Care.** You must offer or make available health care benefits to full-time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full-time members with CNCS funds. You may choose to provide health care benefits to less-than-full-time members from other sources (i.e., non-federal) but the cost cannot be included in the budget. Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) are eligible for health care benefits. If you budget health insurance for less-than-full-time members serving in a full-time capacity, indicate in the budget narrative. In your budget narrative, indicate the number of members who will receive health care benefits. CNCS will not pay for dependent coverage. If health care is not budgeted for all full-time members, please confirm all full-time members will have access to coverage.
- **Unemployment Insurance and Other Member Support Costs.** Include any other required member support costs here. Consistent with the Federal interpretation, AmeriCorps members in Minnesota are **NOT** eligible for unemployment benefits.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives CNCS funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization’s indirect cost rate agreement. Such costs are generally identified with the organization’s overall operation and are further described in Office of Management and Budget Uniform Guidance.

Options for Calculating Administrative/Indirect Costs (choose either A, B, OR C)

Applicants choose one of three methods to calculate allowable administrative costs – a CNCS-fixed percentage rate method, a federally approved indirect cost rate method, or a *de minimis* method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant. Do not create additional lines in this category.

A. CNCS-Fixed Percentage Method

Five/Ten Percent Fixed Administrative Costs Option

The CNCS-fixed percentage rate method allows you to charge administrative costs up to a cap without a federally approved indirect cost rate and without documentation supporting the allocation. If you choose the CNCS-fixed percentage rate method (Section IIIA in eGrants), you may charge, for administrative costs, a fixed 5% of the total of the CNCS funds expended. In order to charge this fixed 5%, the grantee match for administrative costs may not exceed 10% of all direct cost expenditures.

1. To determine the maximum CNCS share for Section III: Multiply the sum of the CNCS funding shares of Sections I and II by 0.0526. This is the maximum amount you can request as Corporation share. The factor 0.0526 is used to calculate the 5% maximum amount of federal funds that may be budgeted for administrative (indirect) costs, rather than 0.0500, as a way to mathematically compensate for determining Section III costs when the total budget (Sections I + II + III) is not yet established. Enter this amount as the CNCS share for Section III A.

2. To determine the Grantee share for Section III: Multiply the total (both CNCS and grantee share) of Sections I and II by 10% (0.10) and enter this amount as the grantee share for Section III A.

3. Enter the sum of the CNCS and grantee shares under Total Amount.

ServeMinnesota will retain a 2% share of the 5% of federal funds available to programs for administrative costs. To calculate these fractional shares, within Section III of the subgrant budget, **two-fifth (40%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and three-fifths (60%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:**

$$([Section\ I] + [Section\ II] \times 0.0526) \times (0.40) = \text{Commission Share}$$

$$([Section\ I] + [Section\ II] \times 0.0526) \times (0.60) = \text{Subgrantee Share}$$

B. Federally Approved Indirect Cost Rate

If you have a federally approved indirect cost rate, this method must be used and the rate will constitute documentation of your administrative costs, not to exceed the 5% maximum federal share payable by CNCS. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). CNCS does not restrict the overall indirect cost rate claimed. It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.

If a commission elects to retain a share of the 5% of federal funds available, please note the percentage or amount in the text. There is no separate line item to show this calculation.

3. To determine the Grantee share: Subtract the amount calculated in step 2 (the CNCS share) from the amount calculated in step 1 (the Indirect Cost total). This is the amount the applicant can claim as grantee share for administrative costs.

C. De Minimis Rate of 10% of Modified Total Direct Costs

Organizations who have **never**, at any point in time, held a federally negotiated indirect cost rate (except for those non-Federal entities described in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph (d)(1)(B)) and who receive less than \$35 million in direct federal funding, may indefinitely use a *de minimus* rate of 10% of modified total direct costs (MTDC). Additional information regarding what is included in MTDC and use of this option can be found at 2 CFR 200.414(f) and 200.68. If this option is elected, it must be used consistently across all federal awards.

Source of Funds

In the “Source of Funds” field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. (The total amount in the Source of Funds field should match the total amount in the budget narrative exactly.) Define all acronyms the first time they are used. The total amount of Source of Match should equal the Grantee Share amount.

As part of your match, please remember to budget for State ServeMinnesota Innovation Funds. The state of Minnesota provides funds to help support AmeriCorps programming in Minnesota. Applicants may budget up to \$500 per MSY in State ServeMinnesota Innovation dollars. ServeMinnesota Innovation funds may only be budgeted for certain member expenses. The AC 20-21 Budget Form indicates which line items are allowable. This is budgeted amount only. *The final State ServeMinnesota Innovation award will be determined prior to the issue of grant contracts in the fall of 2020.*

Note: the value of the Segal Education Awards that members earn for their service is not identified in the budget. Also, the childcare reimbursements provided to eligible full-time members is not included in the budget.

ATTACHMENT D: Detailed Budget Instructions for Fixed Amount Grants (eGrants Budget Section) *These instructions apply only to applicants for fixed amount grants, including education award programs (EAPs). Do not use if you are a Professional Corps applicant.*

EAP and Fixed Amount grant applicants may only request a fixed amount of funding per MSY. Therefore, Fixed Amount applicants are not required to complete a detailed budget or complete the grantee share column. However, you must complete the source of match chart to identify the sources of the additional revenue you need to operate the program. If you are applying for a Stipended fixed amount grant, you must pay at least the minimum living allowance listed in the *Notice* for each type of position you are proposing.

The total number of member service years (MSY) will **automatically calculate** at the bottom of the Member Positions chart. The MSY are calculated as follows:

ATTACHMENT F: Budget Checklist

Below is a checklist to help you make certain that you submit an accurate budget narrative that meets AmeriCorps requirements. Note: This does not apply to fixed-amount grants.

In Compliance?	Section I. Program Operating Costs
Yes ___ No ___	Costs charged under the Personnel line item directly relate to the operation of the AmeriCorps project? Examples include costs for staff who recruit, train, place, or supervise members as well as manage the project.
Yes ___ No ___	Staff indirectly involved in the management or operation of the applicant organization are funded through the administrative cost section (Section III) of the budget? Examples of administrative costs include central management and support functions.
Yes ___ No ___	Staff fundraising expenses are not charged to the grant? You may not charge AmeriCorps staff members' time and related expenses for fundraising to the federal or grantee share of the grant. Expenses incurred to raise funds must be paid out of the funds raised. Development officers and fundraising staff are not allowable expenses.
Yes ___ No ___	The types of fringe benefits to be covered and the costs of benefit(s) for each staff position are described? Allowable fringe benefits typically include FICA, Worker's Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If the fringe amount is over 30%, please list separately.
Yes ___ No ___	Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item?
Yes ___ No ___	The purpose for all staff and member travel is clearly identified?
Yes ___ No ___	You have budgeted funds for State Commission and National Direct staff travel to CNCS-sponsored meetings in the budget narrative under Staff Travel?
Yes ___ No ___	Funds to pay relocation expenses of AmeriCorps members are not in the CNCS share of the budget?
Yes ___ No ___	Funds for the purchase of equipment (does not include general use office equipment) are limited to 10% of the total grant amount?
Yes ___ No ___	All single equipment items over \$5000 per unit are specifically listed?
Yes ___ No ___	Justification/explanation of equipment items is included in the budget narrative?
Yes ___ No ___	All single supply items over \$1000 per unit are specifically listed and explained in the budget narrative?
Yes ___ No ___	Cost of items with the AmeriCorps logo that will be worn daily is included for all AmeriCorps members? Or if not, there is an explanation of how the program will be providing the AmeriCorps logo item to AmeriCorps members using funds other than CNCS grant funds.
Yes ___ No ___	You only charged to the federal share of the budget member service gear that includes the AmeriCorps logo and noted that the gear will have the AmeriCorps logo, with the exception of safety equipment?
Yes ___ No ___	Does the budget reflect adequate budgeted costs for project evaluation?
Yes ___ No ___	Have you budgeted the cost of the NSOPW, FBI, and state check in the CNCS share for criminal history checks of each member and grant-funded staff that are in covered positions per 45 CFR 2522.205? If not, have you provided an explanation of how the costs will be covered?
Yes ___ No ___	Are all items in the budget narrative itemized and the purpose of the funds justified?

In Compliance?	Section II. Member Costs
Yes ___ No ___	Are the living allowance amounts correct? Full-time AmeriCorps members must receive at least the minimum living allowance. Note: Programs in existence prior to September 21, 1993 may offer a lower living allowance than the minimum. If such a program chooses to offer a living allowance, it is exempt from the minimum requirement, but not from the maximum requirement.
Yes ___ No ___	Living allowances are not paid on an hourly basis? They may be calculated using service hours and program length to derive a weekly or biweekly distribution amount. Divide the distribution in equal increments that are not based on the specified number of hours served.
Yes ___ No ___	Is FICA calculated correctly? You must pay FICA for any member receiving a living allowance. Unless exempted by the IRS, calculate FICA at 7.65% of the total amount of the living allowance. If exempted from paying FICA, is the exemption noted in the budget narrative?
Yes ___ No ___	Is the Worker's Compensation calculation correct? Some states require worker's compensation for AmeriCorps members. Check with your local State Department of Labor or State Commission to determine whether or not you are required to pay worker's compensation and at what level (i.e., rate). If you are not required to pay worker's compensation, you will provide similar coverage for members' on-the-job injuries through their own existing coverage or a new policy purchased in accordance with normal procedures (i.e., death and dismemberment coverage).
Yes ___ No ___	Health care is provided for full-time AmeriCorps members only (unless part-time serving in a full-time capacity)? If your project chooses to provide health care to other half-time members, you may not use federal funds to help pay for any portion of the cost. Projects must provide health care coverage to all full-time members who do not have adequate health care coverage at the time of enrollment or who lose coverage due to participation in the project. In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.
Yes ___ No ___	Unemployment insurance is only budgeted if state law requires it?

In Compliance?	Section III. Administrative/Indirect Costs
Yes ___ No ___	Applicant does not have a current federally approved indirect cost rate and has chosen to use the CNCS-fixed percentage method and the maximum federal share of administrative costs does not exceed 5% of the total federal funds budgeted? To determine the federal administrative share, multiply all other budgeted federal funds by .0526.
Yes ___ No ___	Applicant has chosen to use CNCS fixed percentage method and the maximum grantee share is at 10% or less of total budgeted funds?
Yes ___ No ___	Applicant has a current approved indirect cost rate – The maximum grantee share does not exceed the federally approved rate, less the 5% CNCS share?
Yes ___ No ___	Applicant has a current approved indirect cost rate-the type of rate, the IDC rate percentage, the rate claimed and the base to which the rate is applied has been specified?
Yes ___ No ___	Applicant is directly applying to CNCS and the approved indirect cost rate agreement has been entered into eGrants?
Yes ___ No ___	Applicant has never had a federally approved indirect cost rate and is choosing to use a <i>de minimis</i> rate of 10% of modified total direct costs?

In Compliance?	Match
Yes ___ No ___	Is the overall match being met at the required level, based on the year of funding?
Yes ___ No ___	For all matching funds, proposed vs secured, the source(s) [private, state, local, and/or federal], the type of contribution (cash or in-kind), and the amount of match, are clearly identified in the narrative and in the Source of Funds field in eGrants?
Yes ___ No ___	The amount of match is for the entire amount in the budget narrative? (The total amount of match equals the amount in the budget?)

ATTACHMENT G: Alternative Match Instructions

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as the minimum match of 24% for the first three years, and the increasing minimums in years thereafter, are maintained. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

Special Circumstances for an Alternative Match Schedule: Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35% instead of 50% as specified in the regulations at §2521.60(b). To qualify, you must demonstrate that your program is either located in a rural county or in a severely economically distressed community as defined below.

A. Rural County: In determining whether a program is rural, CNCS will consider the most recent Beale code rating published by the U.S. Department of Agriculture for the county in which the program is located. Any program located in a county with a Beale code of 4, 5, 6, 7, 8, or 9 is eligible to apply for the alternative match requirement. See Attachment H for the Table of Beale codes.

B. Severely Economically Distressed County: In determining whether a program is located in a severely economically distressed county, CNCS will consider the following list of county-level characteristics. See Attachment H for a list of website addresses where this publicly available information can be found.

- The county-level per capita income is less than or equal to 75 percent of the national average for all counties using the most recent census data or Bureau of Economic Analysis data;
- The county-level poverty rate is equal to or greater than 125 percent of the national average for all counties using the most recent census data; and
- The county-level unemployment is above the national average for all counties for the previous 12 months using the most recently available Bureau of Labor Statistics data.
- The areas served by the program lack basic infrastructure such as water or electricity.

C. Program Location: Except when approved otherwise, CNCS will determine the location of your program based on the legal applicant's address. If you believe the legal applicant's address is not the appropriate way to consider the location of your program, you must provide relevant facts about your program location in your request. CNCS will, in its sole discretion, determine whether some other address is more appropriate for determining a program's location.

If your program is located in one of these areas, see the instructions below for applying for this alternative match schedule. You must submit your request to the alternative schedule per the information contained in the *Notice*. CNCS will review your request and notify you within 30 days if you qualify for the alternative schedule and provide instructions for entering your budget into eGrants under the Alternative Match Schedule.

If approved for the alternative schedules, programs will base their budget in the upcoming application on the approved alternative match. The alternative match requirement will be in effect for whatever portion of the three-year project period remains or if applying as a new grantee, for the upcoming three-year grant cycle.

D. Instructions for the Alternative Match Schedule: Programs operating in one state must send their requests to the State Commission for review and approval. The Commission will then forward the approved request to CNCS for consideration.

Submit mail applications per the NOFO instructions.

ATTACHMENT H: Beale Codes and County-Level Economic Data for Alternative Match Requests

Rural Community

Beale codes are published by the U.S. Department of Agriculture and are used to classify counties as being more urban or more rural. Counties are designated on a scale from one to nine according to the following descriptions:

2003 Beale Codes		
Code#	Metropolitan Type	Description
1	Metropolitan	Counties in metro areas of 1 million population or more
2	Metropolitan	Counties in metro areas of 250,000 to 1 million
3	Metropolitan	Counties in metro areas of fewer than 250,000
4	Non-metro	Urban population of 20,000 or more, adjacent to a metropolitan area
5	Non-metro	Urban population of 20,000 or more, not adjacent to a metropolitan area
6	Non-metro	Urban population of 2,500 to 19,999, adjacent to a metropolitan area
7	Non-metro	Urban population of 2,500 to 19,999, not adjacent to a metropolitan area
8	Non-metro	Completely rural or less than 2,500 urban population, adjacent to a metropolitan area
9	Non-metro	Completely rural or less than 2,500 urban population, not adjacent to a metropolitan area

Any program located in a county with a Beale code of 4,5, 6, 7, 8, or 9 is eligible to apply for the alternative match.

ATTACHMENT J: eGrants Indirect Cost Rate (IDCR) User Instructions

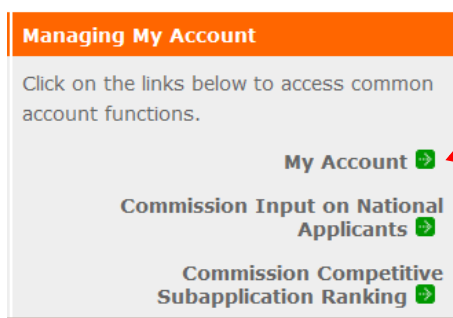

eGrants Indirect Cost Rate (IDCR) User Instructions

A new feature has been introduced to eGrants which allows users to input Indirect Cost Rate information into their eGrants account. Grantees who will be claiming indirect costs on CNCS awards are required to enter the following indirect cost rates in eGrants: federally negotiated rates, state negotiated rates, and the use of *de minimis* rate of 10% of modified total direct costs (MTDC). Recipients of AmeriCorps State and National awards may only charge 5% of their negotiated rate to the federal share of the award, with the remaining balance being charged to match (See [45 CFR §§ 2521.95](#) and [2540.110](#)).

Once a rate is entered and saved in eGrants, it cannot be edited. If users inadvertently enter incorrect information, a new entry must be submitted with the correct information.

Entry for the IDCR screen can be accessed using the following steps:

- 1) From the **eGrants Home** screen, in the lower panel under **Managing My Account**, click on **My Account**

- 2) From the **My Account** screen, under **Edit My Organization Info**, click on **Add and View Indirect Cost Rate**

- 3) From the **Add and View Indirect Cost Rate** screen, select **add a new** to add a rate or **cancel** to back out of the screen.

- 4) **Do you have an Indirect Cost Rate to record?** Respond Yes or No. If **NO** is selected, users cannot go any further and nothing will be recorded. If **Yes** is selected, users can continue.

If your organization will be claiming a current, approved indirect cost rate on any CNCS award, it must be reported on this page. The rate information you record will be used in all award negotiation and reviews until it is superseded by a new approved rate, or expires. Applicants will have the opportunity to identify, in application submissions, if they elect to use a lesser percentage of an approved rate.

- 5) **Rate Type:** If your rate type is not one of the following options, contact your grants officer for guidance:
- **Federally Negotiated** – select if your rate has been negotiated by your cognizant federal agency. Cognizance is determined by the agency which provides the highest amount of direct federal funding;
 - **State Negotiated** – select if your rate has been negotiated by a state agency or other pass through entity; or
 - **10% of MTDC** – select if your organization qualifies for and elects to use the 10% *de minimus* rate of Modified Total Direct Costs (MTDC). Organizations qualify for this rate if they have NEVER had a federally negotiated rate. State entities must also not receive more than \$35 million in direct federal funding.

Rates must be used consistently across ALL federal awards.

- 6) **Issuing Agency.** Respond by selecting the federal agency that approved your rate, or if the federal agency who issued your rate is not listed, select **Other**, or if your rate is issued by a state agency select **Other**.

Identify federal agencies using the drop-down list. If your rate is approved by a federal agency other than the ones listed, notify your grants officer. Other federal agencies may be added as needed.

- 7) **Acceptance Date.** Enter a valid date.
The acceptance date is usually identified where the rate was signed by the issuing state or federal agency.
- 8) **Rate Status.** Select one of the following options: **Final, Provisional, Predetermined, Fixed, Other, or Other – 10%.**
Rates issued by federal agencies will almost always be final or provisional. However, if your organization has formally notified a federal or state agency of your eligibility and intent to use the 10-percent of MTDC rate, select **Other – 10%.** If your organization has a **predetermined** or **fixed rate**, select those options accordingly. If a state rate indicates a term that is not listed here select **Other** and notify your grants officer. Additional rate status options may be added as needed.
- 9) **Effective From.** Enter a valid date.
The effective from date is found on your indirect cost rate document. If using the 10-percent of MTDC rate, enter today's date or the date your organization formally started charging costs under the 10-percent of MTDC rate.
- 10) **Effective To.** Enter a valid date.
The effective to date is found on your indirect cost rate document. If your organization has received approval to extend your rate, enter the end date of the extension.
- 11) **No Expiration.** Check or leave unchecked.
If your rate does not have an expiration date, as is the case with the use of the 10 percent of MTDC rate, check this box, otherwise, leave unchecked.
- 12) **Extended?** Respond Yes or No.
If the rate "effective to" date has been extended with approval of the federal cognizant agency under authority of the 2014 Omni Circular, respond **Yes.** If it is not an extended rate effective to date, respond **No.**
- 13) **Rate Base.** Enter up to 500 characters including spaces.
Enter the text as found on your indirect cost rate approval document. For rates issued by state agencies, enter either the rate base used to determine the indirect cost pool as stated on your indirect cost rate approval document or "State Rate N/A." If you need more than 500 characters, indicate "Summary" and record the most important content.
- 14) **Treatment of Fringe Benefits.** Enter up to 500 characters including spaces.
Enter the text as found on your indirect cost rate approval document. For rates issued by state agencies, enter either the how fringe benefits were treated in determining the indirect cost rate as stated on your indirect cost rate approval document or "State Rate N/A." If you need more than 500 characters, indicate "Summary" and record the most important content.
- 15) **Treatment of Paid Absences.** Enter up to 500 characters including spaces.
Enter the text as found on your indirect cost rate approval document. For rates issued by state agencies, enter either the how paid absences were treated in determining the indirect cost rate as stated on your indirect cost rate approval document or "State Rate N/A." If you need more than 500 characters, indicate "Summary" and record the most important content.

- 16) When you have completed all of the above entries, click the “**save & close**” button at the bottom of the page.

- If you would like to cancel your entry, click the “**cancel**” button and the entry will be cancelled. All entry information will be lost and no entry will be shown.
 - **Once a rate is saved it cannot be modified.**
 - If users inadvertently enter incorrect information, a new entry must be submitted with the correct information.
- 17) **Order of Rates** - Once an entry is saved, users will be able to see the rates they have entered. Rates will display in the order of entry. Entry of rates will provide users and CNCS with a historical record which can be used to clarify indirect cost rate inquiries for monitoring, consistent record maintenance, and audits.

If you have any questions or concerns, please contact your assigned grants officer.
