AmeriCorps

AmeriCorps, formally the Corporation for National and Community Service, was established in 1993 to engage Americans of all ages and backgrounds in community-based service. AmeriCorps is an independent federal agency headquartered in Washington D.C.; has a Board of Directors and Chief Executive Officer appointed by the President and confirmed by the Senate. It is the nation's largest grant maker supporting service and volunteering through AmeriCorps, AmeriCorps Seniors, and the Volunteer Generation Fund. ServeMinnesota is a grantee of AmeriCorps. (For more information visit <https://www.americorps.gov/>)

ServeMinnesota

ServeMinnesota is an independent, non-profit organization charged with administering federal AmeriCorps State grants in Minnesota. ServeMinnesota provides AmeriCorps programs with training and ongoing technical assistance to support the development of high quality AmeriCorps programs.

For this funding opportunity, ServeMinnesota will prioritize consideration from:

1. Programs that currently run an operational program through ServeMinnesota.
2. Programs or planning grant applicants that fit into the Minnesota Climate Action Plan as it specifically relates to healthy community green spaces and water resources: expand and protect tree canopies; parks and other green spaces; and lakes, rivers, and wetlands. The activities need to be in alignment with the Trump Administration EPA priorities around [water](#) and/or [forestry](#).
3. Programs that serve rural communities.

Executive Order Language

AmeriCorps will continue to review all applicable executive orders, memoranda, and corresponding guidance issued since January 20, 2025 by President Trump, the Office of Management and Budget, and the Office of Personnel Management. AmeriCorps is taking proactive action to ensure alignment with these directives and the Trump-Vance Administration priorities.

All aspects of AmeriCorps grants/awards must comply with President Trump's executive orders, including, but not limited to:

- Grant applications for AmeriCorps resources
- Activities performed by AmeriCorps members/volunteers
- Training provided to members/volunteers
- Program materials, such as volunteer/member applications, enrollment forms, service opportunity listings, and handbooks
- Social media and website posts about your AmeriCorps award

Grantees must also ensure all operating sites/host sites are compliant with executive orders through their memorandum of understanding and monitoring.

Minimum Program Size

In order to provide member positions in quantities that make an impact on identified community needs ServeMinnesota highly recommends that applicants request at least 20 Member Service Years (MSYs). One MSY is equivalent to one full-time member.

ServeMinnesota Priorities for Funding

Criteria	Explanation	Indicators
IMPACT POTENTIAL		
Targeted at solving a critical challenge facing Minnesota	While there are a large number of issues that are identified as “challenges,” we will be most interested in those that have been publicly labeled as threats to Minnesota’s long-term quality of life by state government leaders as well as key civic institutions, especially for marginalized communities. While we will generally view programs and initiatives addressing statewide challenges as more compelling, we will also give consideration to those that are designed to tackle problems faced by a particular region of the state.	Programs utilize persuasive evidence that the identified problem is a critical challenge facing Minnesota. Examples could include state demographer reports, research studies, analysis from respected thought leaders, etc.
Unique, compelling role for AmeriCorps members and other community volunteers	We will expect a proposed program to outline how individuals providing a year or two of service can be particularly effective at addressing the identified challenge and how serving in this program/initiative will create a meaningful experience for diverse AmeriCorps members. We will also want to see how the program will create more high-quality volunteer opportunities for other members of the community.	Programs demonstrate how AmeriCorps service makes a difference. Programs should: <ul style="list-style-type: none"> • Recruit and retain diverse members that reflect the communities being served • Align member activities and program goals • Develop and deliver quality professional training for members • Build site capacity through improved results and/or value-added supplemental support Create meaningful volunteer opportunities that contribute to program goals
Broad base of support	We will prioritize programs that will leverage our investment with resources provided by the government, philanthropic, and business sectors. As such, we prefer to invest our resources in	Programs demonstrate how they have built a large network of support. Programs should: <ul style="list-style-type: none"> • Increase diverse sources of funding

	programs and initiatives that can demonstrate strong support from policy makers, as well as business/corporate and philanthropic communities.	Cultivate Interest and recognition from philanthropic and public sector investors, who see and communicate the value
Return on investment	While we recognize that many “start-up” investments may not generate an immediate positive return, we will expect those seeking such investments to outline how longer-term investments in their program or initiative will produce such a return in the future. We will favor those investment opportunities that are most likely to produce societal benefits and reduce racial inequities, whose value far exceeds the dollars invested.	<p>Programs document their return on investment (ROI) and can:</p> <ul style="list-style-type: none"> • Point to studies of similar programs that have demonstrated ROI • Document a quantifiable, societal ROI for specific outcomes <p>Show the actual amount of return for their program that is X times more than the amount of funding</p>
Potential for scale and replication	Programs we consider to invest in may propose to start off small in size or scope; however, we plan to select those that have the potential and willingness to expand substantially in the future so that our investment can have an even greater impact on solving social challenges. This growth can come in the form of the program itself getting larger and/or by other organizations – either in Minnesota or elsewhere – implementing the program in their area.	<p>Programs demonstrate potential for replication and scale. Programs should:</p> <ul style="list-style-type: none"> • Create high quality, easily replicable documentation (training manuals, etc.) • Demonstrate breadth of need and/or population served • Deliver cost-effective results <p>Develop unique models that are not duplicative of other programs</p>
PROGRAM DESIGN		
Focus on measurable and meaningful outcomes related to process and impact	Programs seeking an investment of ServeMinnesota resources must be committed to and capable of quantifiably measuring and reporting on the outcomes their program will produce. In particular, we will be most interested in programs that can show a direct connection between the outcomes they generate and	<p>Programs create performance measures and related outcomes that:</p> <ul style="list-style-type: none"> • Are consistent with state/federal government and/or research/academic organizations measurement outcomes

	the public challenge that needs to be addressed.	<ul style="list-style-type: none"> • Document the degree to which implementation mirrors the elements described in its program design. These include, but are not limited, to evidence of transfer of knowledge during training and fidelity of implementation of the program framework across all sites (not site by site variations) • Align with the identified challenge the program seeks to address. In cases where relevant outcomes are assumed to be related to one another (i.e., changes in A produce changes in B), a framework should exist to formerly evaluate those associations. <p>Measure specific results that the AmeriCorps program – not the entire organization – is delivering.</p>
Application of evidence-based approaches	We will expect those seeking an investment from us to demonstrate that the efficacy of their model or intervention is supported by documented and independent research. We are particularly interested in programs that directly involve leading experts from the relevant subject area in the design and/or evaluation of the program including experts from the communities being served.	<p>Programs document evidence that they are using “state-of-the-art” or “best” practices in their program design and implementation. Programs should:</p> <ul style="list-style-type: none"> • Evidence-based practices should be culturally relevant to the communities being serve. • Point to studies of similar programs that are considered “best” practice <p>Document precise elements of its program that are</p>

		acknowledged as “best” practice
Dedication to Quality	We will expect programs and initiatives seeking our investment to clearly outline how they plan to incorporate quality management practices, such as regularly measuring and reporting on performance, surveying the customers of their service, and engaging in organization-wide learning and improvement strategies.	<p>Programs regularly measure and report on program performance. Program should:</p> <ul style="list-style-type: none"> • Assess internal operations for quality management • Assess external outreach and member satisfaction • Create feedback loops for service recipients • Engage in program learning and improvement strategies <p>Solicit feedback from established experts in the field, including community members and service recipients to guide program implementation and ensure it is consistent with best practices and current research</p>

In addition to the above stated investment policy, ServeMinnesota prioritizes funding initiatives that align with our current 2024-2027 strategic plan and help us achieve the goals outlined in that plan.

Applicants who hold a federally negotiated indirect cost rate must use that rate if they have one or use the 15% *de minimis* rate. Refer to: [AmeriCorps eGrants Indirect Cost Rate \(IDCR\) User Instructions](#).

Universal Identifier: Applicants must include a Unique Entity Identifier (UEI). Applicants must obtain their UEI and register their entity through the System for Award Management (SAM.gov). SUBMITTING YOUR APPLICATION IN EGRANTS

New and Recompeting Applicants

New applicants need to establish an eGrants account by accessing the [eGrants website](#):

<https://egrants.cns.gov/espan/main/login.jsp> and selecting “Don’t have an eGrants account? Create an account.”

In eGrants, before Starting Section I, you will need to:

- Start a new Grant Application
- Select a Program Area (AmeriCorps)
- Select the correct NOFA that corresponds to your application type and year specified on *the Notice* (see the *Notice* for a listing)

¹ One Member Service Year (MSY) is equivalent to at least 1700 service hours, which is a full-time AmeriCorps position. The CNCS cost per MSY is determined by dividing the CNCS share of budgeted grant costs by the number of MSYs requested in the application. It does not include childcare or the cost of the education award.

Your application consists of the following components. Make sure to complete each section.

- I. Applicant Info
- II. Application Info
- III. Narratives
- IV. Logic Model
- V. Performance Measures
- VI. Program Information
- VII. Documents
- VIII. Budget
- IX. Funding/Demographics
- X. Review
- XI. Authorize, and Submit

I. Applicant Info

Information entered in the Applicant Info, Application Info, and Budget sections will populate the SF 424 Facesheet. **If you can only submit your application in hard copy, please follow the instructions in the Notice of Funding Opportunity.**

- If you are recompeting (in the final year of a competitive funding cycle and applying for a new grant cycle), select **Continuation/Renewal**.
- If you are not a current grantee but have received a competitive AmeriCorps grant in the past five years, select **Continuation/Renewal**.
- If you are applying for the first time, have only received formula funding in the past, or are a former grantee (non-formula) whose last AmeriCorps grant was received more than five years ago, select **New**. (**Note: previous competitive funding history for the same project, even if more than five years ago, may still affect some application requirements; see the Notice of Funding Opportunity for more details**)
- If you are a current planning grantee applying for an implementation grant, select **New**.

Enter or update the requested information in the fields that appear. The contact person needs to be the person who can answer questions about the application.

II. Application Info

In the Application Info Section enter:

- Areas affected by your proposed program. Please include the two-letter abbreviation with both letters capitalized for each state where you plan to operate. Separate each two-letter state abbreviation with a comma. For city or county information, please follow each one with the two-letter capitalized state abbreviation.
- Requested project period start and end dates. The length of the project period is specified in the *Notice*.
- The Application is Subject to Review by State Executive Order 12372 Process: This is pre-filled as “No, this is not applicable.”
- Indicate Yes or No if you are delinquent on any federal debt. If Yes, provide an explanation.
- State Application Identifier: Enter N/A.

III. Narratives

The narrative section of the application is your opportunity to convince reviewers that your project meets the selection criteria as outlined in the *Notice*. Below are some general recommendations to help you present your project in a way the reviewers will find compelling and persuasive.

- **Lead from your program strengths and be explicit.** Do not make the mistake of trying to stretch your proposed program description to fit funding priorities and special considerations articulated in the regulations or the *Notice*.

- **Be clear and succinct.** Do not use jargon, boilerplate, rhetoric, or exaggeration. Describe clearly what you intend to do and how your project responds to the selection criteria.
- **Avoid circular reasoning.** The problem you describe should not be defined as the lack of the solution you are proposing.
- **Explain how.** Avoid simply stating that the criteria will be met. Explicitly describe how the proposed project will meet the criteria.
- **Don't make assumptions.** Even if you have received funding from AmeriCorps in the past, do not assume your reviewers know anything about you, your proposed program, your partners, or your beneficiaries. Avoid overuse of acronyms.
- **Use an impartial proofreader.** Before you submit your application, let someone who is completely unfamiliar with your project read and critique the project narrative.
- **Follow the instructions and discuss each criterion in the order they are presented in the instructions.** Use headings to differentiate narrative sections by criterion.

In eGrants, you will enter text for

- Executive Summary
- Rationale and Approach (Program Design)
- Organizational Capability
- Cost Effectiveness and Budget Adequacy

Note: The Narratives Section also includes fields for Evaluation Summary or Plan, Clarification Summary, Amendment Justification, and Continuation Changes. **Please enter N/A in these fields. The latter three fields may be used at a later date to enter information for clarification following review, to request amendments once a grant is awarded, and to enter changes in the narrative in continuation requests.**

Reviewers will assess your application against the selection criteria. To best respond to the criteria listed in the *Notice* and Application Instructions, we suggest that you include a brief discussion of each bullet if it pertains to your application.

A. Executive Summary

Please complete the executive summary per the instructions in the *Notice*.

B. Selection Criteria

Each application must clearly describe a project that will effectively deploy AmeriCorps members to solve a significant community problem. Specifics about the selection criteria are published in the *Notice*.

1. Program Design (50 percent)

In assessing Rationale and Approach/Program Design, reviewers will examine the degree to which the applicant demonstrates how AmeriCorps members and the proposed intervention are particularly well-suited to addressing the identified community problem.

2. Organizational Capability (25 percent)

Reviewers will assess the extent to which the applicant demonstrates organizational background and staffing and structures, including compliance and accountability, to support the proposed program.

3. Cost Effectiveness and Budget Adequacy (25 percent)

In assessing Cost Effectiveness and Budget Adequacy, reviewers will examine the degree to which the budget is cost effective and appropriate for the program being proposed.

C. Evaluation Summary or Plan

Enter N/A. If you have previously received three or more years of competitive funding for the same project proposed in your application (see the Mandatory Supplemental Information for the AmeriCorps definition of

“same project”), you must submit an evaluation plan as an attachment. Please use the evaluation plan template available on the Notice webpage.

D. Amendment Justification

Enter N/A. This field will be used if you are awarded a grant and need to amend it.

E. Clarification Information

Enter N/A. This field may be used to enter information that requires clarification in the post-notification period. Please clearly label new information added during clarification with the date.

F. Continuation Changes

Enter N/A. This field will be used to enter changes in your narratives in your continuation requests.

IV. Logic Model

Complete the logic model using the instructions provided in the *Notice*.

To begin entering your logic model from your eGrants application page, select “Logic Model” in the left side navigation menu.

In the first blank row of the logic model, click “edit.” Clicking this link will open a pop-up screen with fields for each column of the logic model. Complete any fields that are applicable; there are no required fields in this screen. When you are finished, click “save and close.”

You may add an unlimited number of rows to the logic model by clicking “add a new row.” However, please be mindful of any page limits specified elsewhere in the Application Instructions or *Notice*.

You may edit or delete an existing row by clicking “edit” or “delete” in the last column of the logic model.

V. Performance Measures

All applicants must submit performance measures with their application. See Attachments for instructions for entering performance measures and see the Performance Measure Instructions for details about the number and type of performance measures required.

VI. Program Information

In the Program Information Section, applicants must check the relevant boxes that align with the proposed program design. Applicants should only check the boxes for those characteristics that represent a significant part of the program.

ServeMinnesota Funding Priorities

Check any priority area(s) that apply to the proposed program. Only select priorities that represent a significant part of the program focus and intended outcomes.

Grant Characteristics

Check any grant characteristics that are a significant part of the proposed program.

Additional Documents

For the additional documents section, the information provided will be compared to the information sent by ServeMinnesota on your behalf. These documents will have been submitted by you to the grants@serveminnesota.org email address. Applicants will be asked to explain any differences between this information provided in the application compared with the information in the email.

VII. Documents

In addition to the application submitted in eGrants, you are required to provide your evaluation, labor union concurrence (if necessary – see B., below), other required documents listed in the *Notice* (if applicable), and an explanation of federal debt delinquency (if applicable) as part of your application. After you have submitted the documents via the instructions in the *Notice*, change the status in eGrants from the default “Not Sent” to the applicable status “Sent,” “Not Applicable,” or “Already on File at AmeriCorps.”

A. Evaluation

Submit any completed report as described in F., below. Select Evaluation, then select “Sent” once you have submitted a completed evaluation report. If an evaluation is required, you must submit a copy at the time of application even if AmeriCorps may already have it on file.

B. Labor Union Concurrence

- 1) If a program applicant—
 - a) Proposes to serve as the placement site for AmeriCorps members; and
 - b) Has employees engaged in the same or substantially similar work as that proposed to be carried out by AmeriCorps members; and
 - c) Those employees are represented by a local labor organization
--then the application must include the written concurrence of the local labor organization representing those employees. Written concurrence can be in the form of a letter or e-mail from the local union leadership.
- 2) If a program applicant:
 - a) Proposes to place AmeriCorps members at sites where they will be engaged in the same or substantially similar work as employees represented by a local labor organization, then the applicant must submit a written description of how it will ensure that:
 - i) They will not place AmeriCorps members in positions that were recently occupied by paid staff.
 - ii) They will not place any AmeriCorps member into a position for which a recently resigned or discharged employee has recall rights as a result of a collective bargaining agreement, from which a recently resigned or discharged employee was removed as a result of a reduction in force, or from which a recently resigned/discharged employee is on leave or strike.

For the purposes of this section, “program applicant” includes any applicant to AmeriCorps or a State Commission, as well as any entity applying for assistance or approved national service positions through an AmeriCorps grantee or subgrantee.

C. Federally Approved Indirect Cost Agreement

Applicants applying directly to AmeriCorps that include a federally approved indirect cost rate amount in their budget or using a de minimis rate must enter the current approved indirect cost rate agreement information into eGrants at the same time they submit their application. See [AmeriCorps eGrants Indirect Cost Rate \(IDCR\) User Instructions](#).

D. Other Documents

Provide other required documents listed in the *Notice* (if applicable) via the email listed in the *Notice* as part of your application. For example: Evaluations, Labor Union Concurrence, Other Required Documents, and Explanation of Federal Debt Delinquency, as applicable. The email size limit is 35 MB. This limit is inclusive of all attachments associated with each email. Emails that are larger than 35 MB will not be received or reviewed.

E. Delinquent on Federal Debt

Any applicant who checks Yes to the question on federal debt delinquency must submit a complete explanation to AdditionalDocuments@americorps.gov at the same time they submit their application.

F. Submission Instructions for Evaluations, Labor Union Concurrence, Other Required Documents, and Explanation of Federal Debt Delinquency, as applicable.

Please submit the required documents to grants@serveminnesota.org with the subject line of the name of your organization and the application ID number. This information must be received by the deadline listed on page one of these instructions in the application timeline.

VIII. Budget Instructions

For Fixed Amount grants, including EAPs: Use the Budget Instructions for Fixed Amount applicants (Attachment) and the Budget Worksheet (Attachment) to prepare your budget.

A. Match Requirements

Program requirements, including requirements on match, are located in the AmeriCorps Regulations and summarized below.

Table 2: Match Requirements in the AmeriCorps Regulations

Grant Type	Match Requirement
Cost Reimbursement including States and Territories without Commissions, Native Nations.	Minimum grantee share is 24% of program costs for the first three years. Overall grantee share of total program costs increases gradually beginning in year four to 30%* by the tenth year of funding and any year thereafter. <i>*This new match level is part of the new ASN Rule Change (See: Federal Register : AmeriCorps State and National Updates). All New/Recompete and Continuation awards will be affected for FY 2025.</i>
EAP Fixed Amount Grants	There are no specific match requirements for fixed amount grants. Grantees pay all program costs over the cost in the <i>Notice</i> provided by AmeriCorps.
Professional Corps Fixed Amount Grants	There are no specific match requirements for fixed amount grants. Grantees pay all program costs over the cost in the <i>Notice</i> provided by AmeriCorps.
Stipended Fixed Amount Grants	There are no specific match requirements for full-cost fixed amount grants. Grantees pay all program costs over the maximum cost in the <i>Notice</i> provided by AmeriCorps.

- Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as you maintain the minimum match of 24% for the first three years and the increasing minimums in years thereafter. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.
- If you are applying for the first time, you must match with cash or in-kind contributions at least 24% of the project's total Operating Costs (Section I) plus Member Costs (Section II) plus Administrative Costs (Section III). If you are recompeting, please see 45 CFR §§ 2521.40-2521.95 for the match schedule.
- The acceptable sources of matching funds are federal, state, local, and/or private sector funds in accordance with applicable AmeriCorps requirements.
- In the "Source of Funds" field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. (The total amount in the Source of Funds field should match the total amount in the budget narrative exactly.) Define all acronyms the first time they are used. See **Attachment G** for instructions for applying for the Alternative Match Schedule and/or a match waiver.

Note: AmeriCorps legislation permits the use of non-AmeriCorps federal funds as match for the grantee share of the budget. Please discuss your intention of using federal funds to match an AmeriCorps grant with the other agency prior to submitting your application. Section 121(e)(5) of the National Community Service Act requires that grantees who use other federal funds as match for an AmeriCorps grant report the amount and source of these funds to AmeriCorps. If you use other federal funds as match, you must ensure you can meet the requirements and purpose of both grants. Grantees who use federal funds as match will be required to report the sources and amounts on the Federal Financial Report (FFR).

B. Preparing Your Budget

Your proposed budget should be sufficient to allow you to perform the tasks described in your narrative. Reviewers will consider the information you provide in this section in their assessment of the Cost-Effectiveness and Budget Adequacy selection criterion.

Follow the detailed budget instructions in the Attachments to prepare your budget. We recommend that you prepare your budget in the same order as indicated in the Budget Worksheets in the Attachments.

As you enter your detailed budget information, eGrants will automatically populate a budget summary and budget narrative report. Prior to submission be sure to review the budget checklist (Attachment) to ensure your budget is compliant. In addition, eGrants will perform a limited compliance check to validate the budget. If eGrants finds any compliance issues, you will receive a warning and/or error messages. You must resolve all errors before you can submit your budget.

As you prepare your budget:

- All the amounts you request must be defined for a particular purpose. Do not include miscellaneous, contingency, or other undefined budget amounts.
- Itemize each cost and present the basis for all calculations in the form of an equation.
- Do not include unallowable expenses, e.g. entertainment costs (which include food and beverage costs), unless they are justified as an essential component of an activity.
- Do not include fractional amounts (cents).
- **Please add the costs associated with the National Service Criminal History Checks. These include the National Sex Offender Public Website (NSOPW), state check, and FBI check for criminal history checks for each covered position in the budget. If funds are not budgeted, you must note in the budget an explanation for how you will cover the costs.**

Programs must comply with all applicable federal laws, regulations, and the requirements of the Uniform Guidance. Please refer to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200) for allowable, allocable, and reasonable cost information, as well as audit requirements, including the need to provide audits to the Clearinghouse if expending over \$1,000,000 in federal funds. The Uniform Guidance is [online](#).

ServeMinnesota Budget Worksheet Instructions

Use the **AC 25-26 Budget Form** file (MS Excel) or **AC Planning Grant Budget Form** (MS Excel) to prepare your budget. Please be sure to add your organization's name and the number of years you have received AmeriCorps funding. If you do not add the number of years your program has received AmeriCorps funding, the match formula on the budget form will not calculate your required match correctly. This information will then be entered into eGrants. Applicants must also submit their AC 25-26 Budget Form as a separate MS Excel Document. Submit your completed AC 25-26 Budget Form via email to grants@serveminnesota.org by the deadline.

AC 25-26 Budget Form – you will only complete the budget narrative tab. The information entered into the budget narrative will pull into the budget tab.

- The worksheets are protected. Enter data in the **Green** cells only.
- Built-in Formulas will automatically create subtotals and totals.

- Benchmarks are formulas that indicate whether or not the budget complies with major AmeriCorps budgetary guidelines. Benchmarks should display Ok indicating compliance with these guidelines.
- Round all numbers to the nearest dollar amount (whole number).

Do not include unexplained amounts for miscellaneous or contingency costs or unallowable expenses

State ServeMinnesota Innovation Funds: The state of Minnesota provides funds to help support AmeriCorps programming in Minnesota. Applicants may budget up to \$1,000 per MSY in State ServeMinnesota Innovation dollars that can be used as matching funds for your AmeriCorps grant. ServeMinnesota Innovation funds may only be budgeted for certain member expenses. The AC 25-26 Budget Form indicates which line items are allowable. This is budgeted amount only. ***The final State ServeMinnesota Innovation award will be determined prior to the issue of grant contracts in the fall of 2025.***

IX. Funding/Demographics

In the Funding/Demographics Section, enter the information requested which could include:

- Other Revenue funds. Enter the amount of funds that your program uses to run the program that are not identified on the application budget as CNCS share or grantee share (match). Note: Programs should not enter the total operating budget for their organization unless the entire operating budget supports the AmeriCorps program. Programs that have additional revenue sources not included in the matching funds section of the budget should provide the amount of this additional revenue that supports the program. This amount should not include the CNCS or grantee share amounts in the budget. Fixed amount grantees should enter all non-CNCS funds that support the program in this field. All fixed amount grants will have other revenue.
- Number of Volunteers Generated by AmeriCorps members. Please enter the number of volunteers participating in one-day service projects or ongoing volunteer commitments that the proposed AmeriCorps members will generate.

X. Operating Sites (for multi-state applicants only)

In the Multi-State Operating Section (for applicants that are operating in more than one state):

- Please fill in the following information for your operating sites: organization name, address, city, state, zip code + 0000 (eGrants will correct the last four digits to the correct numbers), proposed amount of funding going to the operating site (if applicable), and number of proposed AmeriCorps members who will be located at the site.

XI. Review, Authorize, and Submit

Applicants must submit common federal government-wide Representations and Certifications through SAM.gov. Entities creating new registrations in SAM.gov and existing entities completing their annual registration renewals in SAM.gov are required to review financial assistance representations and certifications before their registration can be activated. As entities renew and re-register their accounts, the data collected make SAM.gov the federal repository for the government-wide information.

eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, [Assurances](#), and [Certifications](#) carefully. The person who authorizes the application must be the applicant's Authorized Representative or their designee and must have an active eGrants account to sign

these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. You must have a copy of the governing body's authorization for this official representative to sign on file in the applicant's office.

Be sure to check your entire application to ensure that there are no errors before submitting it. When you verify the application, eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission. If someone else is acting in the role of the applicant's Authorized Representative, that person must log into their eGrants account and proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, their name will override any previous signatory who may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing the [eGrants webpage](#) and selecting "Don't have an eGrants account? Create an account."

ATTACHMENT A: Performance Measures Instructions

(eGrants Performance Measures Section)

eGrants Performance Measures Module Instructions

About the Performance Measures Module

In the performance measures module, you will:

- Provide information about your program's connection to AmeriCorps focus areas and objectives.
- Show MSY and member allocations.
- Create the required performance measure(s) as specified in the Performance Measure Instructions
- Set targets and describe data collection instruments and strategies for your performance measures.

Home Page

To start the module, click the "Begin" button on the Home Page.

As you proceed through the module, the Home Page will summarize your work and provide links to edit the parts of the module you have completed. You may also navigate sections of the module using the tab feature at the top of each page. Do not use the back and forward buttons on your internet browser.

Once you have started the module, click "Continue Working" to return to the tab you were on when you last closed the module.

To edit the interventions, objectives, MSY, and member allocations for your application, click the "Edit Objectives/MSYs/Members" button.

After you have created at least one performance measure, the Home Page will display a chart summarizing your measures. To edit a performance measure, click the "Edit" button. To delete a measure, click "Delete." To create a new performance measure, click the "Add New Performance Measure" button.

Objectives Tab

On the Objectives tab, applicants will account for the full range of their program activity. Applicants are not expected to create performance measures for every focus area, objective, or intervention they select on this tab.

An expandable list of AmeriCorps focus areas appears on this tab. When you click on a focus area, a list of objectives appears. A list of common interventions appears under each objective.

First click on a focus area. Then click on an objective. Only the performance measures that correspond to the objectives you select on this tab will be available for selection as you continue through this module. To see which performance measures correspond to which objective, refer to the Performance Measure Instructions.

Next, select all interventions that are part of your program design. Interventions are the activities that members and/or volunteers will carry out to address the problem(s) identified in the application. Select "other" if one of your program's interventions does not appear on the list. Repeat these actions for each of your program's focus areas. Select "other" for your focus area and/or objective if your program activities do not fall within one of the AmeriCorps focus areas or objectives.

Choose your program's primary focus area from the drop-down list. Only the focus areas that correspond to the objectives you selected above appear in the list. Next, select the primary intervention within your primary focus area. You will be required to create an aligned performance measure (output paired with outcome) that contains your primary intervention. Note that your primary intervention and the performance measure associated with your primary intervention must be focused on the community impact of the program, not on AmeriCorps member development.

You may select a secondary focus area and a secondary intervention. The primary and secondary focus areas may be the same if you have more than one intervention within the focus areas.

MSYs/Members Tab

On this tab, you will enter information about the allocation of MSYs and members across the focus areas and objectives you have selected. You must allocate 100% of your program's MSYs to focus areas and objectives. When you create your performance measures, you will be asked to allocate MSYs to each performance measure; however, you will not be required to assign 100% of your total MSYs to performance measures.

Begin by entering the total MSYs for your program. This must match the total MSYs in your budget. Please double-check your budget to make sure that the total MSY values match.

Next, enter the number of MSYs your program will allocate to each objective. Only the objectives that were selected on the previous tab appear in the MSY chart. If some of your program's objectives are not represented in the chart, return to the previous tab and select additional objectives. The MSY chart must show how all your program's resources are allocated. If the only activity in an objective that you have selected is focused on AmeriCorps member development rather than beneficiary impact, enter 0 MSYs for that objective.

As you enter MSYs into the MSY column of the chart, the corresponding percentage of MSYs will calculate automatically. When you have finished entering your MSYs, the total percentage of MSYs in the chart must be 100%. The total number of MSYs in the chart must equal the number of MSYs in your budget.

In the members column, enter the number of members you will assign to each objective. Some members may perform services across more than one objective. If this is the case, allocate these members to all applicable objectives. For example, if one member performs service in both school readiness and K-12 success, allocate one member to each of these objectives. It is acceptable for the total number of members in this table to exceed total slots requested in the application due to counting members' service across multiple objectives. If the only activity in an objective that you have selected is focused on AmeriCorps member development rather than beneficiary impact, enter 0 members for that objective.

To ensure that information is entered accurately, please refer to additional instructions in Appendix A of the Performance Measure Instructions on calculating and entering MSY and member allocations.

Performance Measure Tab

This tab allows you to create performance measures for all the grant activities you intend to measure.

Begin by creating the aligned performance measure for your primary intervention. After creating your required performance measure, you will be able to create additional performance measures if desired.

To create a performance measure, begin by selecting an objective. The list of objectives includes those you selected on the Objectives tab. Note that programs may not create performance measures for the Find Opportunity, Teacher Corps, Green Jobs, or Access & Attract objectives since these are member-focused objectives. Member-focused outputs and outcomes related to these objectives may be reported as Performance Data Elements on grantee progress reports.

Provide a short, descriptive title for your performance measure.

Briefly describe the problem your program will address in this performance measure.

Select the intervention(s) to be delivered by members and/or member-supported volunteers. The list of interventions includes the ones you selected previously for this objective. Select only the interventions that will lead to the outputs (plus outcomes, if applicable) of the performance measure and that are applicable to all

beneficiaries counted under the measure. If you selected “other” as an intervention and wish to include an applicant-determined intervention in your aligned performance measure, click “add user intervention” and enter a one or two word description of the intervention. Do not add an applicant-determined intervention that duplicates an intervention already available in the system.

Select output(s) for your performance measure. The output list includes only the National Performance Measure outputs that correspond to the objectives you have selected. If you do not wish to select National Performance Measures and if the objective you have selected permits applicant-determined outputs, you may create an applicant-determined output by clicking in the checkbox next to the empty output text box and entering the text of your output indicator. You may create additional applicant-determined outputs for the performance measure by clicking “Add User Output.” (Note: you are not permitted to create an applicant-determined output that duplicates a National Performance Measure output. If you do not see the National Performance Measure output that you wish to use, check the Selection Rules in the Performance Measure Instructions to make sure you selected the correct objective associated with that National Performance Measure output.)

Select outcome(s). If you have selected a National Performance Measures output that has corresponding National Performance Measures outcome(s), these outcomes will be available to select. If you do not wish to select a National Performance Measure outcome, you may create an applicant-determined outcome by clicking in the checkbox next to the empty outcome text box and entering the text of your outcome indicator. If you do not wish to select any outcome for your National Performance Measure output, click in the checkbox next to the empty outcome text box and enter “NA” in the outcome indicator text box.

If you have not selected a National Performance Measure output or if there is no corresponding National Performance Measure outcome, create an applicant-determined outcome by clicking “Add User Outcome.” All applicant-determined outputs must be paired with an applicant-determined outcome.

Enter the number of MSYs and members your program will allocate to achieving the outcomes and/or outputs you have selected in this performance measure. Since programs are not required to measure all grant activities, the number you enter does not have to correspond to the MSY chart you created on the MSY/Members tab; however, the total number of MSYs across all performance measures within a single objective cannot exceed the total number of MSYs previously allocated to that objective. Members may be double-counted across performance measures, but MSYs may not.

Click “next” to proceed to the data collection tab. Later you can return to this tab to create additional performance measures.

Data Collection Tab

On this tab, you will provide additional information about your interventions, instruments, and plan for data collection.

Describe the design and dosage (frequency, intensity, duration) of the interventions you have selected. Frequency refers to how often an intervention occurs (for example, number of sessions per week), intensity refers to the length of time devoted to the intervention (for example, number of minutes per session), and duration refers to the period of time over which the intervention occurs (for example, how many total weeks of sessions).

Expand each output and outcome and enter data collection information.

Select the data collection method you will use to measure the output or outcome. To select more than one method, click the “Add new method” button. To de-select a method, click the first (blank) line in the method drop-down.

Describe the specific instrument(s) you will use to measure the output or outcome. Include the title of the instrument(s), a brief description of what it measures and how you will administer the instrument, and details

about its reliability and validity if applicable. For outcomes, specify how much improvement in knowledge, attitude, behavior or condition is required to be counted as having improved and clearly explain how the instrument measures this.

Enter the target number for your output or outcome. Targets must be numbers, not percentages.

For applicant-determined outputs and outcomes, enter the unit of measure for your target. The unit of measure should describe the beneficiary population you intend to count (children, miles, etc.). Do not enter percentages or member service hours as units of measure. In most cases, the unit of measure should be the same for the outputs and outcomes in an aligned performance measure.

For output-only performance measures, eGrants will require text in the outcome data collection fields. If you do not wish to have an outcome for your National Performance Measure output, enter the following:

- Method: Select “other”
- Instrument Description: Enter “NA”
- Target: Enter “1”
- Unit of Measure: Enter “NA”

After entering data collection information for all outputs and outcomes, click “Mark Complete.” You will return to the Performance Measure tab. If you wish to create another performance measure, repeat the process. If you would like to continue to the next step of the module, click “Next.”

Summary Tab

The Summary tab shows all of the information you have entered in the module.

To print a summary of all performance measures, click “Print PDF for all Performance Measures.”

To print one performance measure, expand the measure and click “Print This Measure.”

Click “Edit Performance Measure” to return to the Performance Measure tab.

Click “Edit Data Collection” to return to the Data Collection tab.

Click “Validate Performance Measures” to validate this module prior to submitting your application. You should also use the Performance Measures Checklist in Appendix B of the Performance Measure Instructions to self-assess your measure(s) prior to submission.

ATTACHMENT B: Detailed Budget Instructions for Cost Reimbursement Grants (eGrants Budget Section)

Fixed Amount Grants refer to Attachment D.

Section I. Program Operating Costs

Complete Section I, Program Operating Costs, of the Budget Worksheet by entering the “Total Amount column in the budget,” “CNCS Share column in the budget,” and “Grantee Share column in the budget” for Parts A–I, for year one of the grant, as follows below. (Note: CNCS = AmeriCorps)

A. Personnel Expenses

Under “Position/Title Description,” list each staff position separately and provide salary and percentage of effort as percentage of FTE devoted to this award. Each staff person’s role listed in the budget must be described in the application narrative and each staff person mentioned in the narrative must be listed in the budget as either CNCS or Grantee share. Because the purpose of this grant is to enable and stimulate volunteer community service, do not include the value of direct community service performed by volunteers. However, you may include the value of volunteer services contributed to the organization for organizational functions such as accounting, audit work, or training staff and AmeriCorps members.

B. Personnel Fringe Benefits

Under “Purpose/Description,” identify the types of fringe benefits you will cover and the costs of benefit(s) for each staff position. Allowable fringe benefits typically include Federal Insurance Contribution Act (FICA), Worker’s Compensation, Retirement, State Unemployment Tax Act (SUTA), Health and Life Insurance, Individual Retirement Account (IRA), and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If a fringe benefit amount is over 30%, please list covered items separately and justify the high cost. Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item.

C. 1. Staff Travel

Describe the purpose for which program staff will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other travel-related expenses multiplied by the number of trips/staff. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information. Reimbursement should not exceed the [federal mileage rate](https://www.gsa.gov/travel/plan-book/transportation-airfare-pov-etc/private-owned-vehicle-pov-mileage-reimbursement-rates) (<https://www.gsa.gov/travel/plan-book/transportation-airfare-pov-etc/private-owned-vehicle-pov-mileage-reimbursement-rates>) unless a result of applicant policy and justified in the budget narrative. Only domestic travel is allowable.

We expect all National Direct applicants to include travel funds in this for staff and site staff to attend the AmeriCorps-sponsored annual Symposium. You should budget travel funds for at least one staff member, especially new staff, to attend the Symposium as well as Symposium pre-conference events (if applicable). State Commission subapplicants should not budget funds for this event.

State Commission subapplicants and National Direct applicants should also include travel funds in this section for staff and site staff to attend other technical assistance meetings as required.

Please itemize all costs.

For example: Per diem - \$79/day x 4 days (@ 75% on first and last days); lodging - \$258 x 3 nights; round trip airfare - \$303.50; local transportation - \$50 (estimated)] x 2 staff.

C. 2. Member Travel

Describe the purpose for which members will travel. Provide a calculation that includes itemized costs for airfare, transportation, lodging, per diem, and other related expenses for members to travel outside their service location

or between sites. Costs associated with local travel, such as bus passes to local sites, mileage reimbursement for use of car, etc., should be included in this budget category. Where applicable, identify the current standard reimbursement rate(s) of the organization for mileage, daily per diem, and similar supporting information.

D. Equipment

Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of **\$10,000 or more per unit** (including accessories, attachments, and modifications). You should enter any items that do not meet this definition in E. Supplies below. Purchases of equipment are limited to 10% of the total CNCS funds requested. If applicable, show the unit cost and number of units you are requesting. Provide a brief justification for the purchase of the equipment under Item/Purpose.

E. Supplies

AmeriCorps members must wear an AmeriCorps logo on a daily basis – preferably clothing with the AmeriCorps logo. The item with the AmeriCorps logo is a required budget expense. Please include the cost of the item with the AmeriCorps logo in your budget or explain how your program will be providing the item to AmeriCorps members without using grant funds. Grantees may add the AmeriCorps logo to their own local program uniform items using federal funds. Please note your program will be using the AmeriCorps logo in the budget description.

Include the amount of funds to purchase consumable supplies and materials, including member service gear and equipment that does not fit the definition above. You must individually list any single item costing \$1,000 or more. Except for safety equipment, grantees may only charge the cost of member service gear to the federal share if it includes the AmeriCorps logo. All safety gear may be charged to the federal share regardless of whether it includes the AmeriCorps logo. All other service gear must be purchased with non-CNCS funds.

F. Contractual and Consultant Services

Include costs for consultants related to the project's operations, except training or evaluation consultants, who will be listed in Sections G. and H., below. Itemize each contract or consultant and provide a brief justification of the need for each. The cost calculation should provide a basis for determining the cost, such as a daily or hourly rate. Note that there is no maximum daily rate.

G. 1. Staff Training

Include the costs associated with training staff on project requirements and training to enhance the skills staff need for effective project implementation, i.e., project or financial management, team building, etc. If using a consultant(s) for training, indicate the estimated daily rate. There is no maximum daily rate.

G. 2. Member Training

Include the costs associated with member training to support them in carrying out their service activities. You may also use this section to request funds to support training in Life after AmeriCorps. If using a consultant(s) for training, indicate the estimated daily rate. There is no maximum daily rate.

H. Evaluation

Include costs for project evaluation activities, including additional staff time or subcontracts, use of evaluation consultants, purchase of instrumentation, and other costs specifically for this activity not budgeted in Section A Personnel Expenses. This cost does not include the daily/weekly gathering of data to assess progress toward meeting performance measures but is a larger assessment of the impact your project is having on the community as well as an assessment of the overall systems and project design. Indicate daily rates of consultants, where applicable.

I. Other Program Operating Costs

Allowable costs in this budget category should include when applicable:

- Criminal history background checks for all members and for all employees or other individuals who receive a salary, education award, living allowance, or stipend or similar payment from the grant (federal or non-federal share). Please include the cost of the NSOPW, state check, and FBI check for criminal history checks for all

covered positions. If you do not budget funds, you must note an explanation in the budget for how you will cover the costs. **ServeMinnesota requires the use of Truescreen for National Service Criminal History checks.**

- Office space rental for projects operating without an approved indirect cost rate agreement that covers office space. If you budget space and it is shared with other projects or activities, you must equitably pro-rate and allocate the costs between the activities or projects.
- Utilities, telephone, internet, postage, copying, and similar expenses that are specifically used for AmeriCorps members and AmeriCorps project staff, and are not part of the organization's indirect cost allocation pool. If you budget and share such expenses with other projects or activities, you must equitably pro-rate and allocate the costs between the activities or projects.
- Recognition costs for members. List each item and provide a justification in the budget narrative. Gifts and/or food in an entertainment/event setting are not allowable costs.
- Multi-state applicants: Indicate the number of subgrants and the average amount of subgrants. Indicate any match that you will require of your subgrants under the "grantee share" column in this category. Subgranted funds may only cover costs allowable under federal and AmeriCorps regulations and terms and conditions.
- Retention incentives/performance awards are allowable to the extent they are 1) reasonable, necessary, and allowable for program outcomes; 2) tied to the program narrative; 3) fair; 4) consistently applied; and 5) part of the organization's written policies and procedures.

Section II. Member Costs

Member Costs are identified as "Living Allowance" and "Member Support Costs."

A. Living Allowance

The narrative should clearly identify the number of members you are supporting by category (i.e., full-time, three-quarter-time, half-time, reduced-half-time, quarter-time, minimum-time, abbreviated time) and the amount of living allowance they will receive, allocating appropriate portions between the CNCS Share column in the budget and grantee share column in the budget (match). Please do not select the 2-Year Half Time (1st Year) and 2-Year Half Time (2nd Year) slot types.

The minimum and maximum living allowance amounts are provided in the *Notice*.

In eGrants, enter the total number of members you are requesting in each category. Enter the average amount of the living allowance for each type of member. In addition, enter the number of members for whom you are not requesting funds for a living allowance but for whom you are requesting education awards.

B. Member Support Costs

Consistent with the laws of the states where your members serve, you must provide members with the benefits described below.

- **FICA.** Unless exempted by the IRS, all projects must pay FICA for any member receiving a living allowance, even when AmeriCorps does not supply the living allowance. If exempted, please note in the narrative. In the first column next to FICA, indicate the number of members who will receive FICA. Calculate the FICA at 7.65% of the total amount of the living allowance.
- **Health Care.** You must offer or make available health care benefits to full-time members in accordance with AmeriCorps requirements. Except as stated below, you may not pay health care benefits to less-than-full-time members with AmeriCorps funds. You may choose to provide health care benefits to less-than-full-time members from other sources (i.e., non-AmeriCorps sources) but you cannot include the cost in the budget. Less-than-full-time members who are serving in a full-time capacity for a sustained period of time (such as a full-time summer project) are eligible for health care benefits. If you budget health insurance for less-than-full-time members serving in a full-time capacity, indicate in the budget narrative. In your budget narrative, indicate the number of members who will receive health care benefits. AmeriCorps will not pay for dependent

coverage. If you do not budget health care for all full-time members, please confirm all full-time members will have access to coverage.

- **Worker's Compensation.** Minnesota requires worker's compensation for AmeriCorps members.
- **Unemployment Insurance and Other Member Support Costs.** Include any other required member support costs here. Consistent with the Federal interpretation, AmeriCorps members in Minnesota are **NOT** eligible for unemployment benefits.

Section III. Administrative/Indirect Costs

Definitions

Administrative costs are general or centralized expenses of the overall administration of an organization that receives AmeriCorps funds and do not include particular project costs. These costs may include administrative staff positions. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate agreement. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Uniform Guidance.

Options for Calculating Administrative/Indirect Costs (choose B.1. or B.2. or B)

Applicants choose one of two methods to calculate allowable administrative costs—a federally approved indirect cost rate method or a *de minimis* method. Regardless of the option chosen, the CNCS share of administrative costs is limited to 5% of the total CNCS funds **actually expended** under this grant. Do not create additional lines in this category.

Applicants who have a Federally Approved Indirect Cost Rate or are using a De Minimis Rate will enter the line item details in Section III.B.1 or Section III.B.2. respectively Applicants using a federally approved indirect cost rate or a de minimis rate must enter the details of their indirect cost rate in eGrants, following the instructions. Please see the [AmeriCorps eGrants Indirect Cost Rate \(IDCR\) User Instructions](#). Applicants should not submit documentation addressing the indirect cost rate agreement via email.

A. Corporation Fixed Percentage (State Commission Subapplicants Only)

ServeMinnesota will retain a 2% share of the 5% of federal funds available to programs for administrative costs. To calculate these fractional shares, within Section III of the subgrant budget, two-fifth (40%) of the federal dollars budgeted for administrative costs is allocated to the commission's share and three-fifths (60%) of the federal dollars budgeted for administrative costs are allocated to the program's share. The allocation between commission and program shares would be calculated as follows:

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.40) = \text{Commission Share}$

$([\text{Section I}] + [\text{Section II}] \times 0.0526) \times (0.60) = \text{Subgrantee Share}$

B. Federally Approved Indirect Cost Rate or *De Minimis* Rate of 15% of Modified Total Direct Costs

Option .1. Federally Approved Indirect Cost Rate

If you have a federally approved indirect cost rate, this method must be used, and the rate will constitute documentation of your administrative costs, not to exceed the 5% maximum federal share payable by AmeriCorps. Specify the Cost Type for which your organization has current documentation on file, i.e., Provisional, Predetermined, Fixed, or Final indirect cost (IDC) rate. Supply your approved IDC rate (percentage) and the base upon which this rate is calculated (direct salaries, salaries and fringe benefits, etc.). AmeriCorps does not restrict the overall indirect cost rate claimed. It is at your discretion whether or not to claim your entire IDC rate to calculate administrative costs. If you choose to claim a lower rate, please include this rate in the Rate Claimed field.

1. Determine the base amount of direct costs to which you will apply the IDC rate, including both the CNCS and Grantee shares, as prescribed by your established rate agreement (i.e., based on salaries and benefits, total direct costs, or other). Then multiply the appropriate direct costs by the rate being claimed. This will determine the total amount of indirect costs allowable under the grant.

2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect costs.

If a Commission elects to retain a share of the 5% of federal funds available, enter that calculation in Section III.A. and subtract that from what is entered in Section III.B.1, CNCS share. 3. To determine the Grantee share: Subtract the amount calculated in step 2 (the CNCS share) from the amount calculated in step 1 (the total Indirect Costs allowed). This is the amount the applicant can claim as grantee share for administrative costs.

Option B.2. De Minimis Rate of 15% of Modified Total Direct Costs

Organizations who do not currently have a federally negotiated indirect cost rate (except for those non-federal entities described in Appendix VII to Part 200—States and Local Government and Indian Tribe Indirect Cost Proposals, paragraph (d)(1)(B)) and who receive less than \$35 million in direct federal funding may indefinitely use a *de minimis* rate of 15% of modified total direct costs (MTDC).

Additional information regarding what is included in MTDC and use of this option can be found in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200) under Indirect (F&A) costs and Definitions. If you elect to use this option, you must use it consistently across all federal awards.

1. Determine the base amount of direct costs to which you will apply the *de minimis* rate, including both the CNCS and Grantee shares. MTDC includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$50,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$50,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs. Once you determine the base, multiply the appropriate costs by 0.10. This will determine the total amount of costs allowable in this section.

2. To determine the CNCS share: Multiply the sum of the CNCS funding share in Sections I and II by 0.0526. This is the maximum amount you can claim as the CNCS share of indirect/administrative costs.

If a Commission elects to retain a share of the 5% of federal funds available, enter that calculation in Section III.A. and subtract that from what is entered in Section III.B.2, CNCS share.

3. To determine the Grantee share: Subtract the amount calculated in step 2 (the CNCS share) from the amount calculated in step 1 (the total Indirect Costs allowed). This is the amount the applicant can claim as grantee share for indirect/administrative costs.

Source of Funds

In the “Source of Funds” field that appears at the end of Budget Section III, enter a brief description of the match. Identify each match source separately. Identify if the match is secured or proposed. Include dollar amount, the match classification (cash or in-kind), and the source type (Private, State/Local, or Federal) for your **entire match**. The total amount in the Source of Funds field must match the total amount in the budget narrative **exactly**. Define all acronyms the first time they are used.

As part of your match, please remember to budget for State Serve Minnesota Innovation Funds. The state of Minnesota provides funds to help support AmeriCorps programming in Minnesota. Applicants may budget up to

\$1,000 per MSY in State ServeMinnesota Innovation dollars. ServeMinnesota Innovation funds may only be budgeted for certain member expenses. The AC 25-26 Budget Form indicates which line items are allowable. This is budgeted amount only. ***The final State ServeMinnesota Innovation award will be determined prior to the issue of grant contracts in the fall of 2025.***

Note: The value of the Segal Education Awards that members earn for their service is not identified in the budget. Also, the childcare reimbursements provided to eligible members are not included in the budget.

ATTACHMENT D: Detailed Budget Instructions for Fixed Amount Grants (eGrants Budget Section) *These instructions apply only to applicants for Fixed Amount grants, including education award programs (EAPs).*

EAP and Fixed Amount grant applicants may only request a fixed amount of funding per MSY. Therefore, Fixed Amount applicants are not required to complete a detailed budget or complete the grantee share column. However, you must complete the source of match chart to identify the sources of the additional revenue you need to operate the program. If you are applying for a full-cost fixed amount grant, you must pay at least the minimum living allowance listed in the *Notice* for each type of position you are proposing.

Budget Section II. AmeriCorps Member Positions

Member Positions

Identify the number of members you are requesting by category (i.e. full-time, three quarter-time, half-time, reduced half-time, quarter-time, minimum-time) and list under the column labeled **#Mbrs w/o Allow** (without AmeriCorps-funded living allowance.) In the **Allowance Rate** field, enter the average amount of the living allowance for each type of member. Enter zero in the column labeled **#Mbrs w/ Allow**. Leave all other columns blank. See example below (applies to a Full-Cost Fixed Amount grant):

Member Positions ?						
Item	# Mbrs w/ Allow	Allowance Rate	# Mbrs w/o Allow	Total Amount	CNCS Share	Grantee Share
Full Time (1700 hrs)	0	\$16,502	5	\$0	\$0	\$0
Three Quarter Time (1200 hours)	0	\$14,000	7	\$0	\$0	\$0

The total number of member service years (MSY) will **automatically calculate** at the bottom of the Member Positions chart. The MSY are calculated as follows:

Member Positions	Calculation	MSY
_____ Full-time (1700 hours)	(_____ members x 1.000)	= _____
_____ Three quarter-time (1200 hours)	(_____ members x 0.70000000)	= _____

ATTACHMENT F: Budget Checklist

Below is a checklist to help you make certain that you submit an accurate budget narrative that meets AmeriCorps requirements. **Note:** This checklist does not apply to Fixed Amount grants.

In Compliance?	Section I. Program Operating Costs
Yes ___ No ___	Costs charged under the Personnel line item directly relate to the operation of the AmeriCorps project? Examples include costs for staff who recruit, train, place, or supervise members as well as manage the project.
Yes ___ No ___	Staff indirectly involved in the management or operation of the applicant organization are funded through the administrative cost section (Section III) of the budget? Examples of administrative costs include central management and support functions.
Yes ___ No ___	Staff fundraising expenses are not charged to the grant? You may not charge AmeriCorps staff members' time and related expenses for fundraising to the federal or grantee share of the grant. Expenses incurred to raise funds must be paid out of the funds raised. Development officers and fundraising staff are not allowable expenses.
Yes ___ No ___	The types of fringe benefits to be covered and the costs of benefit(s) for each staff position are described? Allowable fringe benefits typically include FICA, Worker's Compensation, Retirement, SUTA, Health and Life Insurance, IRA, and 401K. You may provide a calculation for total benefits as a percentage of the salaries to which they apply or list each benefit as a separate item. If the fringe amount is over 30%, the benefits are listed separately?
Yes ___ No ___	Holidays, leave, and other similar vacation benefits are not included in the fringe benefit rates but are absorbed into the personnel expenses (salary) budget line item?
Yes ___ No ___	The purpose for all staff and member travel is clearly identified?
Yes ___ No ___	You have budgeted funds for National Direct staff travel to the AmeriCorps Symposium in the budget narrative under Staff Travel?
Yes ___ No ___	You have budgeted funds for State Commission and National Direct staff travel, as required, to attend other technical assistance meetings under Staff Travel?
Yes ___ No ___	Funds for the purchase of equipment (does not include general use office equipment) are limited to 10% of the total grant amount?
Yes ___ No ___	All single equipment items over \$10,000 per unit are specifically listed?
Yes ___ No ___	Justification/explanation of equipment items is included in the budget narrative?
Yes ___ No ___	All single supply items over \$1,000 per unit are specifically listed and explained in the budget narrative?
Yes ___ No ___	Cost of items with the AmeriCorps logo that will be worn daily is included for all AmeriCorps members? Or if not, there is an explanation of how the program will be providing the AmeriCorps logo item to AmeriCorps members using funds other than AmeriCorps grant funds?
Yes ___ No ___	You only charged to the federal share of the budget member service gear that includes the AmeriCorps logo and noted that the gear will have the AmeriCorps logo, with the exception of safety equipment?
Yes ___ No ___	Does the budget reflect adequate budgeted costs for project evaluation?
Yes ___ No ___	Have you budgeted the cost of the NSOPW, FBI, and state check in the CNCS share for criminal history checks of each member and grant-funded staff that are in covered positions per 45 CFR 2522.205? If not, have you provided an explanation of how the costs will be covered?
Yes ___ No ___	Are all items in the budget narrative itemized and the purpose of the funds justified?

In Compliance?	Section II. Member Costs
Yes ___ No ___	Are the living allowance amounts correct? Full-time AmeriCorps members must receive at least the minimum living allowance. Note: Programs in existence prior to September 21, 1993 may offer a lower living allowance than the minimum. If such a program chooses to offer a living allowance, it is exempt from the minimum requirement, but not from the maximum requirement.
Yes ___ No ___	Living allowances are not paid on an hourly basis? They may be calculated using service hours and program length to derive a weekly or biweekly distribution amount. Divide the distribution in equal increments that are not based on the specified number of hours served.
Yes ___ No ___	Is FICA calculated correctly? You must pay FICA for any member receiving a living allowance. Unless exempted by the IRS, calculate FICA at 7.65% of the total amount of the living allowance. If exempted from paying FICA, is the exemption noted in the budget narrative?
Yes ___ No ___	Is the Worker's Compensation calculation correct? Some states require worker's compensation for AmeriCorps members. Check with your local State Department of Labor or State Commission to determine whether or not you are required to pay worker's compensation and at what level (i.e., rate). If you are not required to pay worker's compensation, you will provide similar coverage for members' on-the-job injuries through their own existing coverage or a new policy purchased in accordance with normal procedures (i.e., death and dismemberment coverage).
Yes ___ No ___	Health care is provided for full-time AmeriCorps members only (unless part-time serving in a full-time capacity)? If your project chooses to provide health care to other part-time members, you may not use federal funds to help pay for any portion of the cost. Projects must provide health care coverage to all full-time members who do not have adequate health care coverage at the time of enrollment or who lose coverage due to participation in the project. In addition, projects must provide coverage if a full-time member loses coverage during the term of service through no deliberate act of his/her own.
Yes ___ No ___	Unemployment insurance is only budgeted if state law requires it?

In Compliance?	Section III. Administrative/Indirect Costs
Yes ___ No ___	State commission subapplicant whose commission chooses to retain a portion of the CNCS share of indirect costs has budgeted those costs in Section III.A. Corporation Fixed Percentage? This amount is subtracted from the CNCS share calculation in Section III.B1 or 2?
Yes ___ No ___	Applicant has a current approved indirect cost rate – The maximum grantee share does not exceed the federally approved rate, less the 5% CNCS share?
Yes ___ No ___	Applicant has a current approved indirect cost rate-the type of rate, the IDC rate percentage, the rate claimed and the base to which the rate is applied has been specified?
Yes ___ No ___	Applicant is directly applying to CNCS and the approved indirect cost rate information has been entered into eGrants to support the costs budgeted?
Yes ___ No ___	Applicant does not have a current federally approved indirect cost rate and is choosing to use a <i>de minimis</i> rate of 15% of modified total direct costs
Yes ___ No ___	Applicant does not have a current federally approved indirect cost rate and is choosing to use a <i>de minimis</i> rate – the maximum federal share of administrative costs does not exceed 5% of the total federal funds budgeted?

In Compliance?	Source of Funds (Match)
Yes ___ No ___	Is the overall match being met at the required level, based on the year of funding?

Yes ___ No ___	For all matching funds, proposed vs secured, the source(s) [private, state, local, and/or federal], the type of contribution (cash or in-kind), and the amount of match, are clearly identified in the narrative and in the Source of Funds field in eGrants?
Yes ___ No ___	The amount of match is for the entire amount in the budget narrative? (The total amount of match equals the amount in the budget exactly?)

ATTACHMENT G: Alternative Match Schedule and Match Waiver Request Instructions

Given the new ASN Rule Change that will go into effect which reduces the match requirement starting in the fourth year and will top at 30% in the tenth year of the match schedule, the Alternate Match Schedule will be phased out during FY 2025. It is still available for FY 24 awards. Match Waivers have new criteria (see below) that goes into effect on 10/1/2024.

Grantees are required to meet an overall matching rate that increases over time. You have the flexibility to meet the overall match requirements in any of the three budget areas, as long as you maintain the minimum match of 24% for the first three years and the increasing minimums in years thereafter. See 45 CFR §§ 2521.35–2521.90 for the specific regulations.

Special Circumstances for an Alternative Match Schedule: Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35% instead of 50% as specified in the regulations at §2521.60(b). To qualify, you must demonstrate that your program is either located in a rural county or in a severely economically distressed community as defined below.

A. Rural County: In determining whether a program is rural, AmeriCorps will consider the most recent Beale code rating published by the U.S. Department of Agriculture for the county in which the program is located. Any program located in a county with a Beale code of 4, 5, 6, 7, 8, or 9 is eligible to apply for the alternative match requirement. See Attachment H for the Table of Beale codes.

B. Severely Economically Distressed County: In determining whether a program is located in a severely economically distressed county, AmeriCorps will consider the following list of county-level characteristics. See Attachment H for a list of website addresses where this publicly available information can be found.

- The county-level per capita income is less than or equal to 75% of the national average for all counties using the most recent census data or Bureau of Economic Analysis data;
- The county-level poverty rate is equal to or greater than 125% of the national average for all counties using the most recent census data; and
- The county-level unemployment is above the national average for all counties for the previous 12 months using the most recently available Bureau of Labor Statistics data.
- The areas served by the program lack basic infrastructure such as water or electricity.

C. Program Location: Except when approved otherwise, AmeriCorps will determine the location of your program based on the legal applicant's address. If you believe the legal applicant's address is not the appropriate way to consider the location of your program, you must provide relevant facts about your program location in your request. AmeriCorps will, in its sole discretion, determine whether some other address is more appropriate for determining a program's location.

If your program is located in one of these areas, see the instructions below for applying for this alternative match schedule. You must submit your request to the alternative schedule per the information contained in the *Notice*. AmeriCorps will review your request and notify you within 30 days if you qualify for the alternative schedule and provide instructions for entering your budget into eGrants under the Alternative Match Schedule.

If approved for the alternative schedules, programs will base their budget in the upcoming application on the approved alternative match. The alternative match requirement will be in effect for whatever portion of the three-year project period remains or, if applying as a new grantee, for the upcoming three-year grant cycle.

D. Instructions for the Alternative Match Schedule: Programs operating in one state must send their requests to the State Commission for review and approval. The Commission will then submit the approved request to AmeriCorps for consideration. Information on how to submit a request is on the [AmeriCorps Manage your grant webpage](#).

ATTACHMENT H: Beale Codes and County-Level Economic Data for Alternative Match Requests

Rural Community

The U.S. Department of Agriculture publishes **Beale codes**, which are used to classify counties as being more urban or more rural. Counties are designated on a scale from one to nine according to the following descriptions:

2003 Beale Codes		
Code#	Metropolitan Type	Description
1	Metropolitan	Counties in metro areas of 1 million population or more
2	Metropolitan	Counties in metro areas of 250,000 to 1 million
3	Metropolitan	Counties in metro areas of fewer than 250,000
4	Non-metro	Urban population of 20,000 or more, adjacent to a metropolitan area
5	Non-metro	Urban population of 20,000 or more, not adjacent to a metropolitan area
6	Non-metro	Urban population of 2,500 to 19,999, adjacent to a metropolitan area
7	Non-metro	Urban population of 2,500 to 19,999, not adjacent to a metropolitan area
8	Non-metro	Completely rural or less than 2,500 urban population, adjacent to a metropolitan area
9	Non-metro	Completely rural or less than 2,500 urban population, not adjacent to a metropolitan area

Any program located in a county with a Beale code of 4,5, 6, 7, 8, or 9 is eligible to apply for the alternative match.

MATCH WAIVERS:

In accordance with 45 CFR §§ 2521.70, applicants may request a full or partial waiver of match requirements. Information on how to submit a match waiver request is on the [AmeriCorps Manage your grant webpage](#).

While this process has continued from previous years, the criteria to be eligible for a match waiver will change beginning on October 1, 2024.

In the new criteria, grantees must demonstrate **ONE** of the following:

- Initial difficulties in developing local funding sources during the first three years of operations;
- An economic downturn, natural disaster, or similar event in the grantee's service area that severely restricts or reduces sources of local funding support;
- The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years; or
- An organizational revenue of less than \$500,000.
